Volume III

ARIZONA — an epic spanning the pages of time. The centuries and civilizations that have gone before us are now written on rocks of ages. The story they tell is one of hardships, self sacrifice, and of the eternal fight between nature and mankind.

Its opportunities burst forth as the bubbles of an unconquerable stream, offering to its inhabitants unlimited vocational and recreational advantages.

OUR STATE stands as a monument to strength, peace, and beauty. Its strength lies in its ability to keep the secrets of its glorious past and safeguard its future. The peace lies in the cool mountain streams, lakes, and green forests. Its beauty is forever before us from sunrise to sunset, never to be blackened by any man made darkness. Arizona is eternal.

MISS FLORENCE EMERY

1895-1951

"Green be the turf above thee
friend of my better days;
None knew thee but to love thee,
None named thee but of praise."

Fitz-Greene Halleck

Charting the paths for students towards directed, well-planned participation in tomorrow's society is the principle function of the school.

West students take advantage of visibility unlimited in Arizona's skies.

ADMINISTRATION

DR. E. W. MONTGOMERY, Superintendent of Phoenix Union High Schools and Phoenix College, is almost a legend in Arizona educational circles. When school administrators over the nation point to a model school system, they look towards Phoenix. His work stands as a monument to publication.

WE SALUTE . . .

AN EFFICIENT STAFF makes effective use of taxpayer's money, and the system administrative unit is efficiency plus. Seated at their desks are Mr. A. F. Olney, reading consultant and coordinator of special activities; Grace B. Holt, secretary to Dr. Montgomery; Dr. Ralph Jensen, system psychologist.

PUBLIC spirited citizens in every sense of the word, school board members give unstintingly of their time in directing major activities affecting the public high schools of Phoenix. Seated left to right are Dr. Norman A. Ross, member; Mr. Frank Haze Burch, member; John E. Herrscher president; Supt. E. W. Montgomery; Dr. Trevor G. Browne, member; Mrs. F. A. Bons, clerk.

. . . PUBLIC SERVANTS

FRIENDLY service characterizes the administration staff. Here smiles Miss Ann Vandam, secretary, with Miss Dorothy Parkhurst, secretary to Dr. MacLeod, curriculum consultant and director of administrative research; Mr. Henry W. Lowe, office manager; Mrs. Terry Edgeworth, secretary, and Mr. Clair Cocanower, system comptroller.

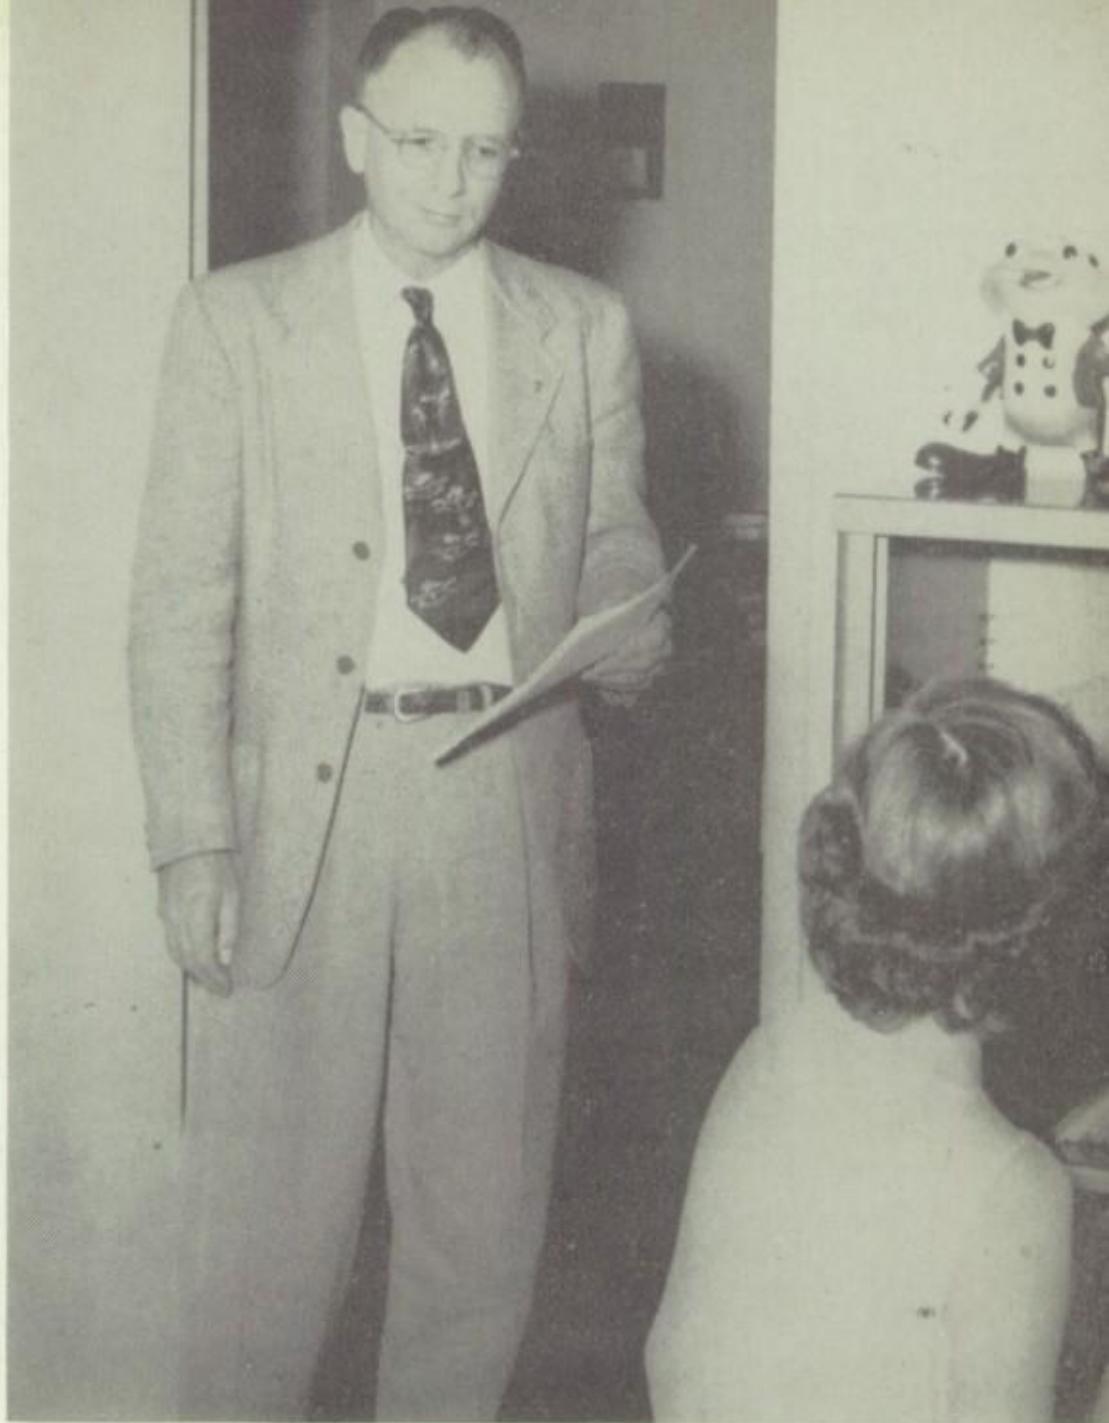

DONALD F. STONE
Principal

AT CONTROLS

DIRECTING the successful educational program of a great, modern, comprehensive high school in its task of preparing young Americans for active participation in the democratic way of life is the role of Principal Donald F. Stone. Toward this goal he conscientiously devotes nearly all of his wake moments, and yet he still takes time to see any student. His door is always open.

QUIET efficiency marks the general characteristics of the Principal's office. Here Mr. Stone confers with his secretary, Miss Glenna Wilson, about office work.

MRS. FAY LAWRENCE, assistant to the principal's secretary, seems always busy with the ever-buzzing West telephone exchange. Miss Glenna Wilson takes time out to announce a special report over the school's modern public address system.

WILLIAM C. VAUGHN
Dean

OUR DEANS

THE OFFICE of Dean of Boys requires patience, understanding, and plenty of good friendly humor. Mr. Vaughn has been a true friend to all students at all times. His office is responsible for the "ground duty boys" who keep order with student control during the day. He is a Boys' man.

WHAT is a fashion cutie doing on Dean Vaughn's page? — It's Mr. Vaughn cavorting during the parent's assembly. On the left he is at the task dearest to his big ole heart—helping boys.

MRS. OLIVE RAY, dean's secretary, is always smiling and ready to help with even the most minor details. She has served students from morale builder to general handyman. On the left Miss Eleanor Fullington answers one of the many phone calls she receives during the day in her work as Dean of Girls.

ELEANOR FULLINGTON
Dean

DURING her first year as Dean of Girls, Miss Fullington performed her job like a veteran and was always willing to lend a helping hand. Aside from her numerous duties, she served as advisor to Girls' League. Her office is always buzzing with activity at any hour of the day. She is a friend to every girl.

BEING registrar is a tremendous job, but Mr. Glen Bradford has proved extremely capable in guiding students and keeping the Registrar's Office working midst a friendly atmosphere.

THEY SERVE US WELL

PERT Miss Betsy Harris records cards during registration for next year. Efficient Mrs. Rosamond Nelson takes a moment's pause while checking permanent records.

KEEPING attendance records doesn't appeal to many people, but with Mrs. Rose Nelson in charge, everyone is happy.

BEHIND THE SCENES

ATTENDANCE collectors are a big help to the Registrar's Office in collecting absence slips and running school errands. Tabulating absences are Faherty, Talbot, Wilkerson, Staples, and Bachman.

PARENTS AND . . .

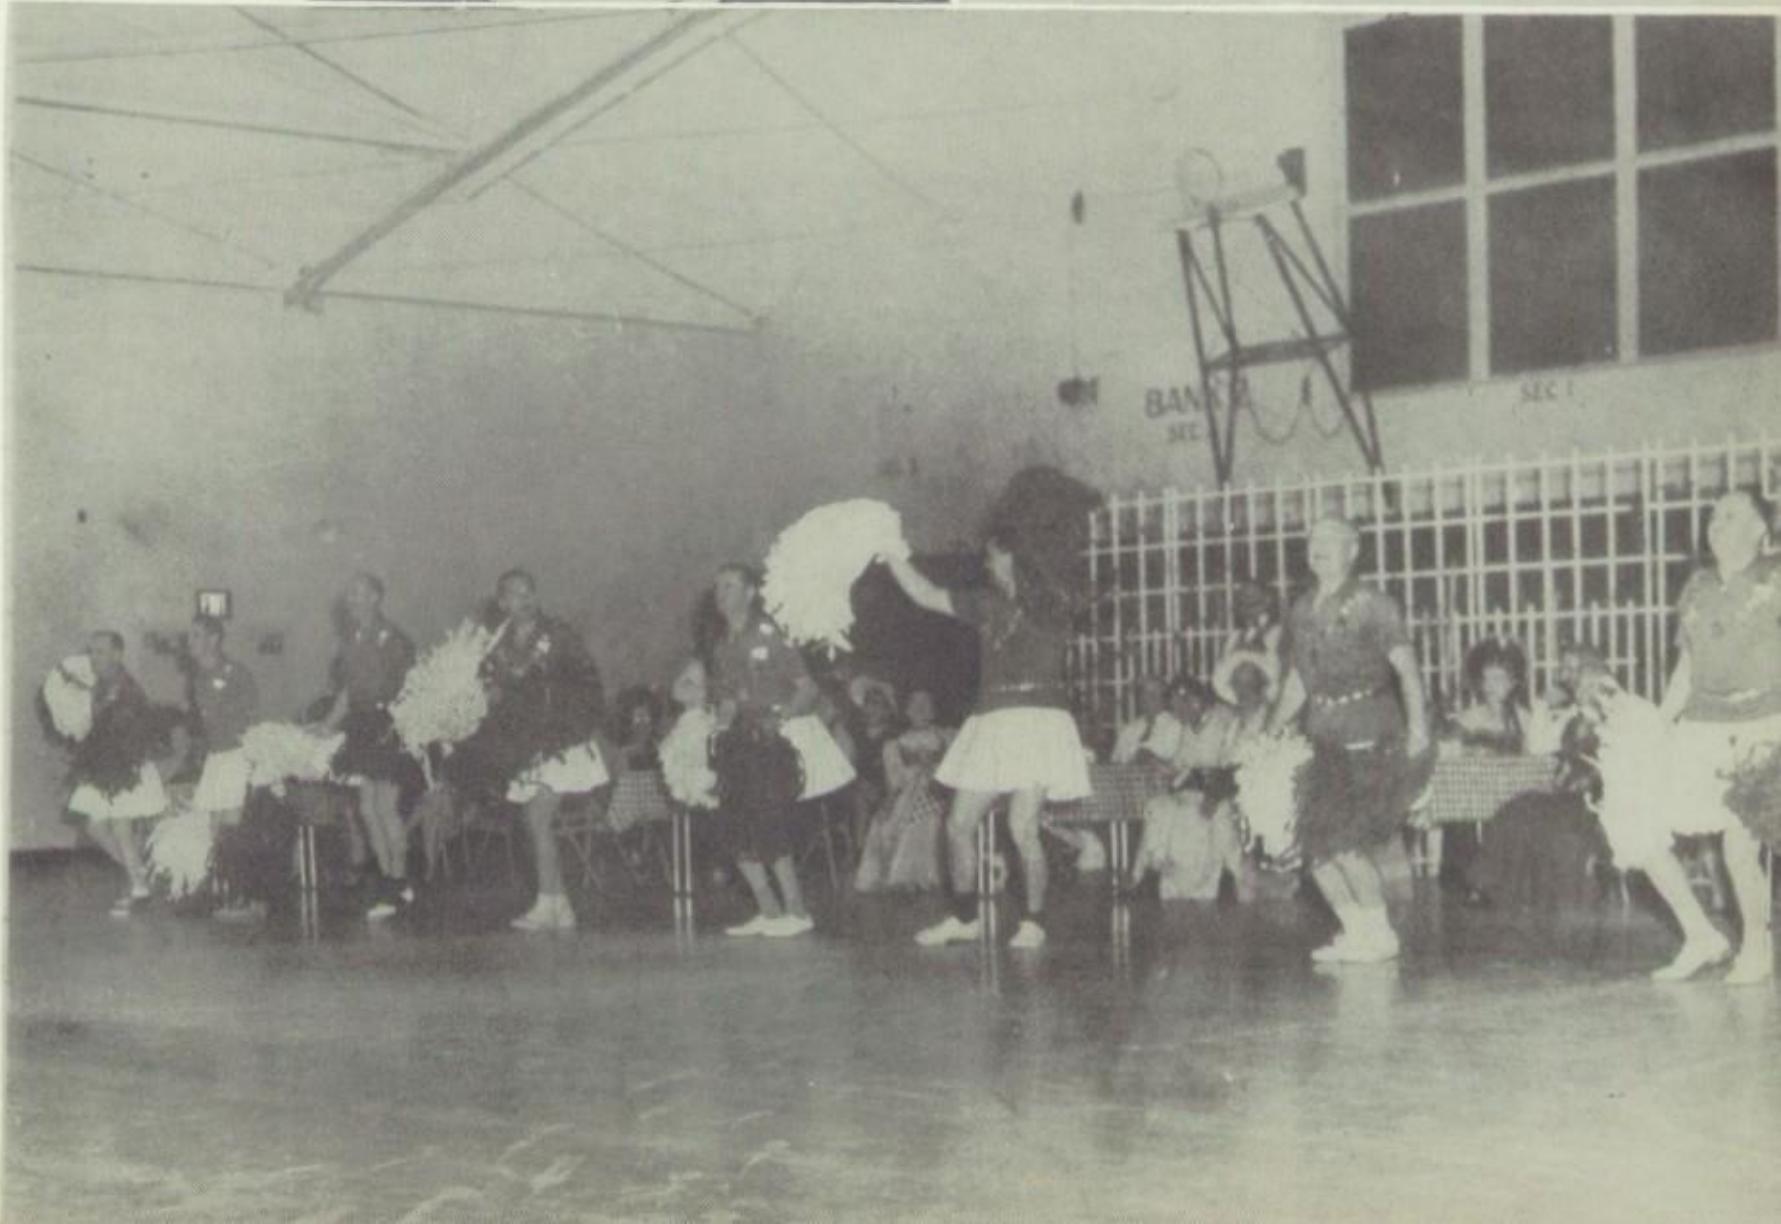

R-. officers planning PTA activities during the year are (l to r) Mr. Marion Holmes, treas.; Mr. Glen Bradford, 2nd veep; Mrs. Oliver Stallings, 1st veep; Mr. Nick Wusich, pres.; Mrs. Cecil Mack, corresponding sec.; Miss Jean Slavens, recording sec.

REMEMBER that side-splitting PTA assembly? Mr. Tom Stallings, Boys' Club prexy, modeled; WesternEttes lent sweet harmony. and those Can Can Mommies. Wow!

... TEACHERS ASSOCIATE

ONLY West's PTA could let down their hair to put on a super assembly pictured here. Dr. Sharpe was a whistle-hep model, and Diane Roth's dad did demonstrate musical skill. But what brought down the house were the Pom Pon Poppas. Dione West directed both dance groups.

IT'S ALL FIGURES

MR. DE RYKE, school accountant, checks shelves of new books in our always efficient bookstore. His is a major responsibility in keeping school accounts shipshape.

EX-ELEMENTARY school teacher, Miss Jaskari, has a host of duties ranging from cashier to ordering supplies. Miss Jaskari has been keeping books and handling tickets and accounts for all school activities since West Hi first opened.

MISS DOROTHY BURGE, head librarian, uses the new time-saving automatic changing machine to record the return date on a student's book. Miss Dorothea White, assistant librarian, checks the extensive files which record pertinent data on West Hi books.

FACTS 'n FICTION

STUDENT library assistants Leatha Adams and Margaret Lyons check out books for two students as other students wait to be checked in at the door. Below is a typical scene of the library as most students are reading and others check out books.

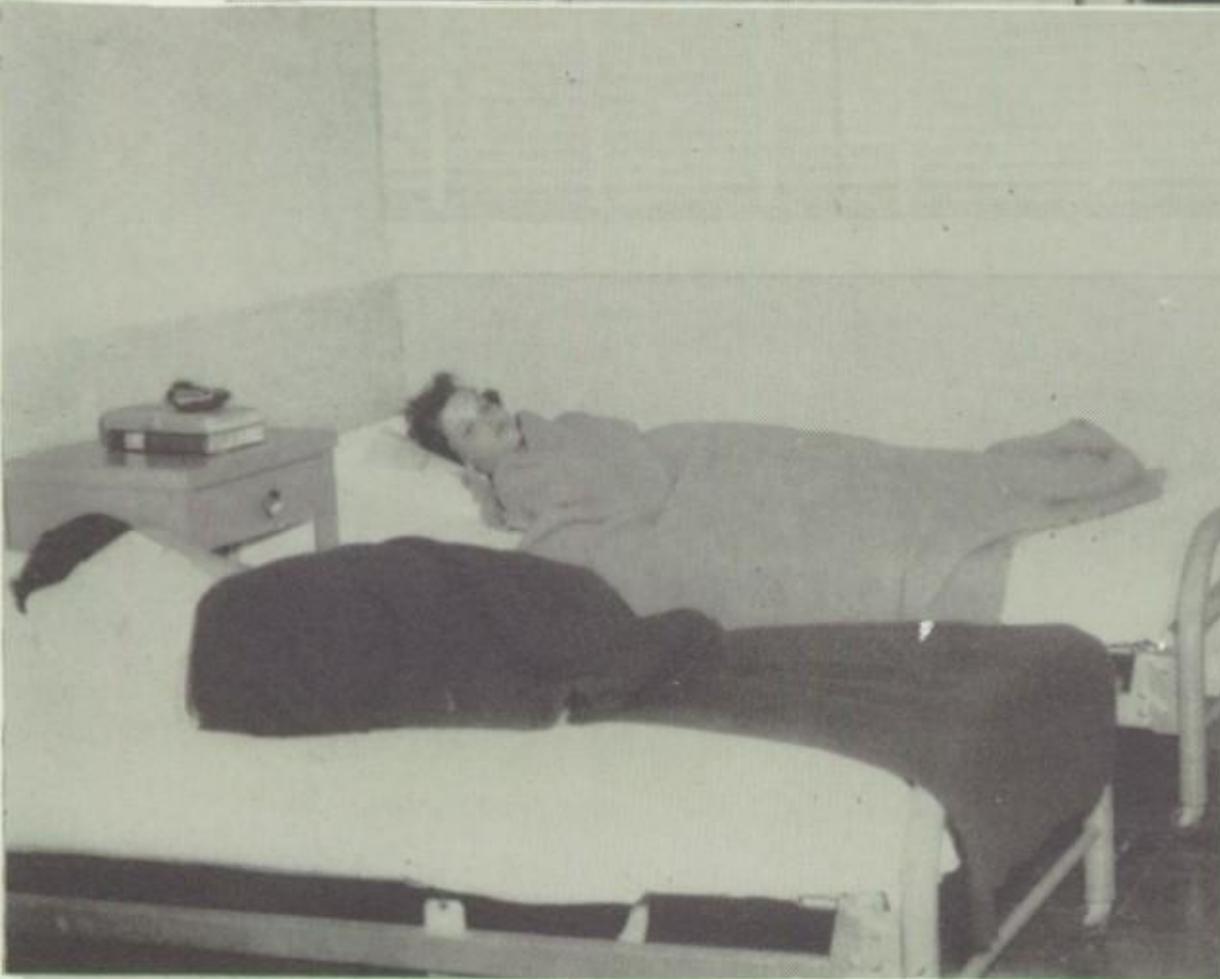

MRS. FRANCIS FOWLER, school nurse, and Mrs. Dorothy Davis, assistant, take care of the aches and pains of countless students that stream to the health center in the course of the school day.

HEALTH IS THEIR BUSINESS

ONE OF the very important departments of the school is the health center with its thermometers, iodine, and student assistants always ready to maintain good health conditions in the student body. Free tests, doctor's examinations, and first aid mark the activities of this department.

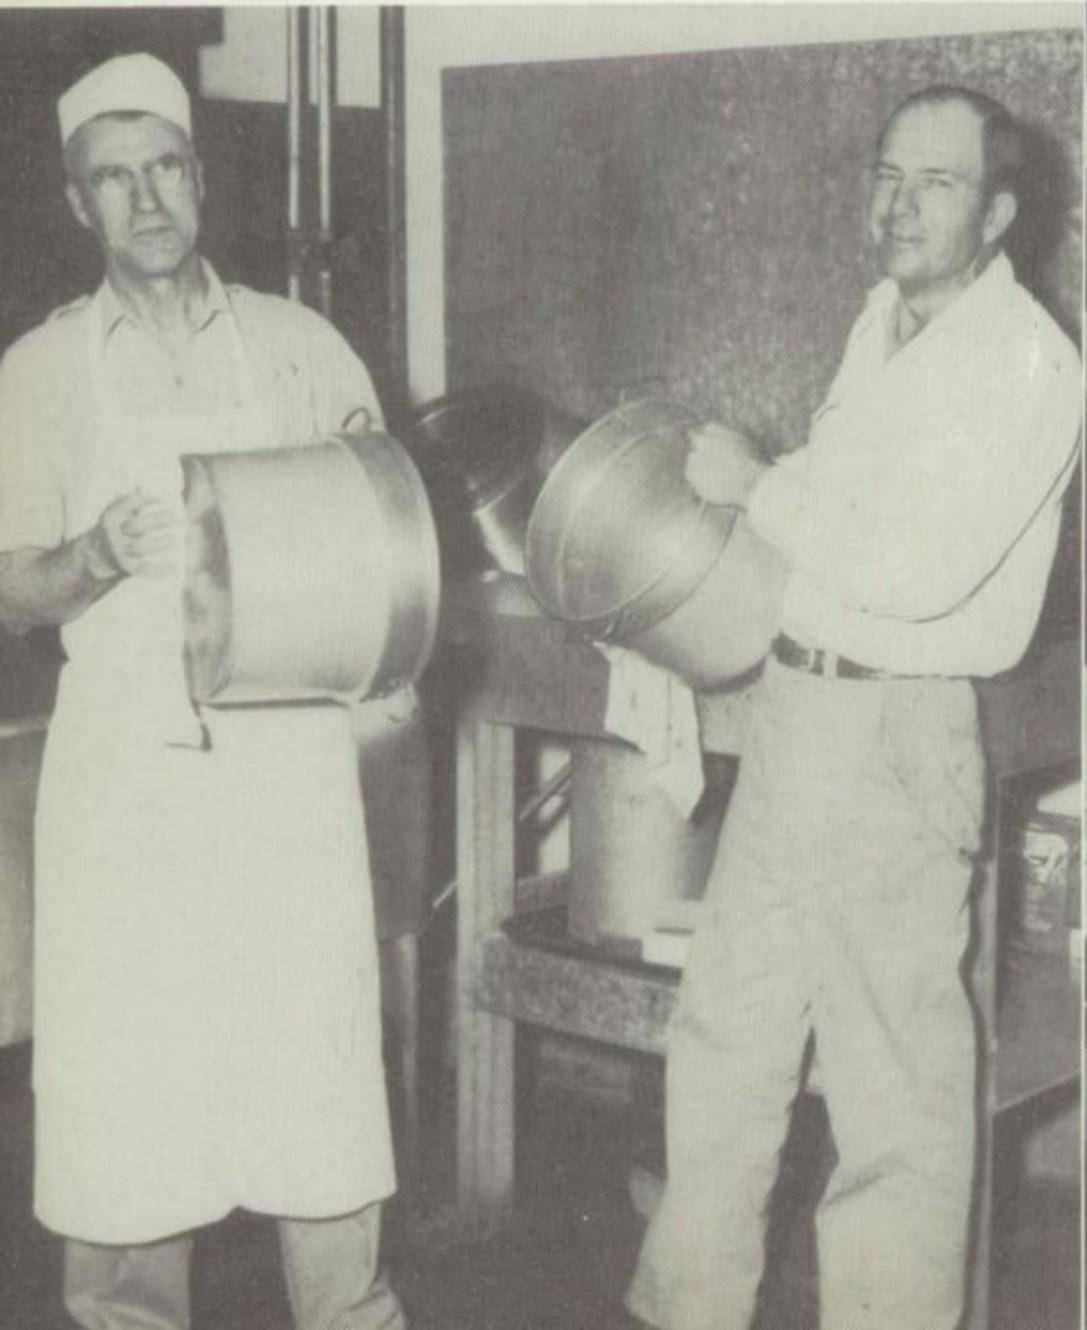

STUDENT assistants play an important role in the smooth functioning of the health center. They keep records, take temperatures, and aid the school nurse in administering first aid. Student assistants are always ready with a pleasant smile as they take care of students.

CAFETERIA staff workers Roughton, McDowell, Edwards, Robbins, Bennett, Russell, Sargent, Reill, Nelson, Harris are responsible for the tasty meals and courteous service which characterize our cafeteria. They are shown around a work table in their spotless kitchen.

THEY KEPT US WELL FED

SHOWN doing a daily task of cleansing cafeteria utensils are Smith and Hoyt, cafeteria maintenance men. Miss Maxine Wittebort, school dietitian, operated the cafeteria smoothly and efficiently under the Federal school lunch program. With a competent staff to aid her, she successfully managed the cafeteria so as to provide tasty, healthful meals for hungry students.

DUE TO the fine work and good planning of head maintenance man Ed Pool, our campus is always looking clean and inviting.

TWENTY-EIGHT teachers representing many departments were added to the faculty this year to make the teaching staff a total of 86 members, a new record for our three-year-old school.

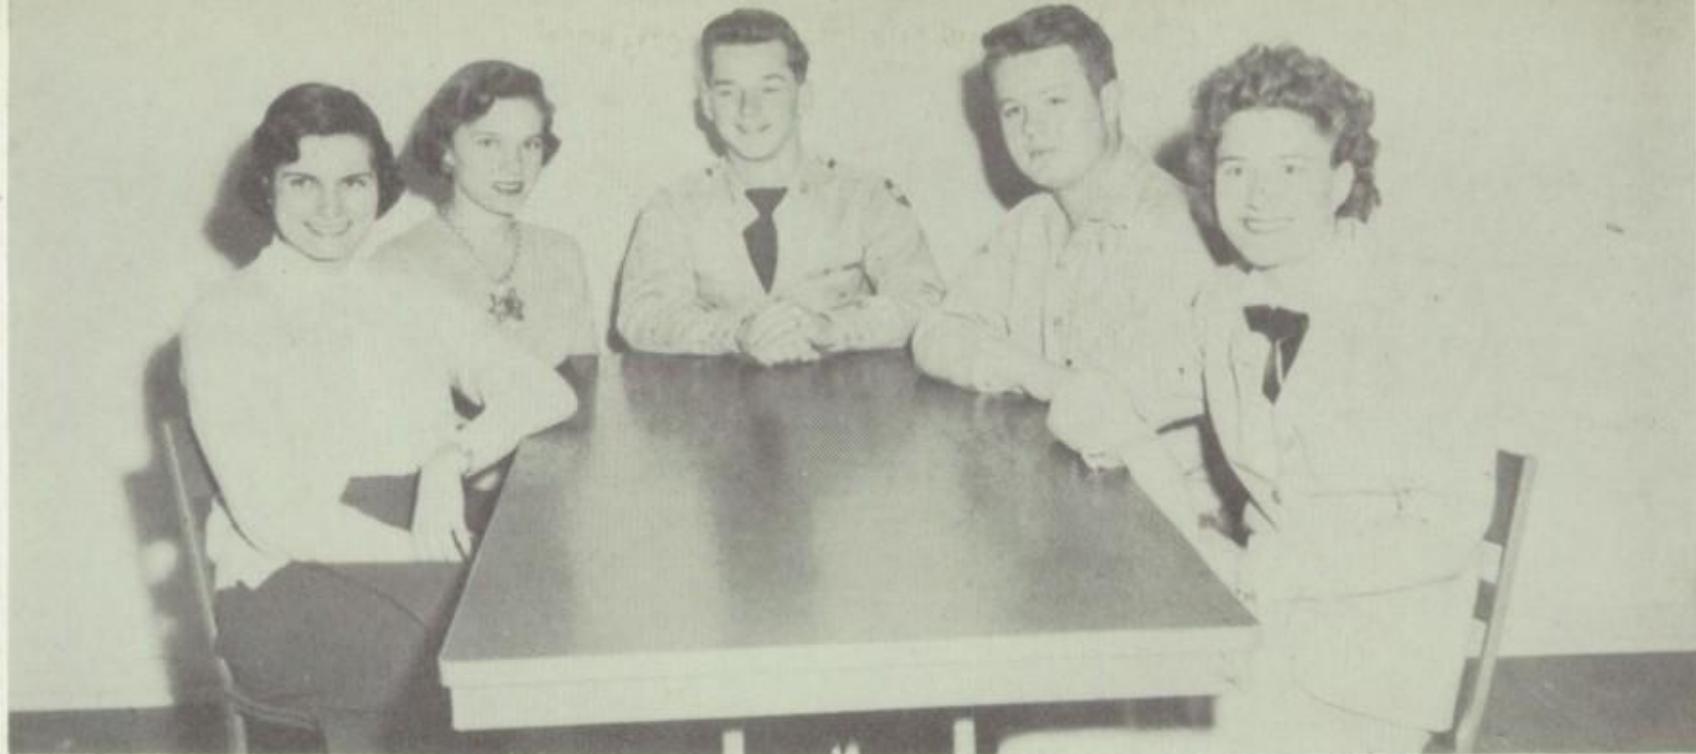

FACULTY members weren't always giving homework assignments and tests to students; they enjoyed many leisure hours away from school work. The Phoenix Flying School at Sky Harbor was host to the faculty at one of the monthly faculty meetings. The men's octette serenaded students at the faculty assembly, while the faculty band played sweet music.

MR. WILLARD transferred from journalism teacher to railroad engineer as he blew the all-aboard whistle for the Publications Limited. A loyal faculty rooter could be found with Mr. Zimmerman when the faculty played basketball with the varsity.

STUDENT Body President Jim Newman, Vice President Mae Sue Vaughn, Girls' Secretary Joanne Campbell, Treasurer Terry Parlato, and Boys' Secretary Eugene Yen were able to leave their numerous duties long enough to relax in the comfortable atmosphere of the quad. They worked hard trying to improve and give us a fair and acceptable student government.

Proudly They Govern

THE ACTIVITY Committee, which sponsored the March of Dimes campaign and other school drives, is composed of Goor, Viliborghi, Coe, Lane, and Mrs. Clara Walker.

PROUDLY claiming the most outstanding student government in the state, West High has given students valuable experience in the art of government under the competent supervision of Mrs. Clara Walker. Student body officers, school committees, student council, and the guidance board form the structure of our self-government system.

IN CHARGE of the fundamentals of student body and class elections are members of the election committee McKee, Gibbs, Lind, Coe, White, and Dawson (seated).

ENGROSSED in all financial problems is the Finance Committee consisting of (l to r) Principal D. F. Stone, Mr. Karnes, Newman, Nelson, Mr. De Ryke, Parlato, Mrs. Walker, Mr. Hart, Miss Sain, Quick, Divelbess.

Money And Dances Are Their Business

PLANNERS for the school's main social events are: Hutson, Rainey, Flieschman, Mayfield, Newman. Sitting, Tolete, and Miss Sain. They take care of all student council dances.

TAKING care of West morale this year is the Assembly Committee. Standing, Miss Rebb, Mr. Lang, Mr. Day, Miss Parfitt, Mr. Folks. Seated are Newman, Rohrs, Fereira, Steiner.

THE ASSEMBLY Committee plans and co-ordinates all assemblies and this year they staged several exceptionally good ones. The "gripe" committee takes care of any complaints from students concerning the school.

MEMBERS of the Advisory Committee that found satisfactory answers to many student-school problems are Driggs, Lott, Carpenter, Edwards, O'Sullivan, Selden.

BI-WEEKLY student council meetings have representatives from each home-room demonstrating West's self government. They take care of matters such as constitutional amendments, school committees, and other important school activities.

West Has Self Government

STUDENT council sponsored Carnival Dance brought lots of fun and enjoyment to West with costumes, noisemakers, and streamers highlighting the evening.

THE GUIDANCE Board is always hard at work meeting daily every 5th period to handle the more serious disciplinary cases. Members here are Riser, Wilhelm, Mr. Walsh, Thorson, Newman, Miss Plew, and Sagawa. Not pictured is Bill Withers.

Democracy At Work

GUIDANCE Board secretaries meet daily to take care of demerit slips and any other business for the board. They are Kulczyk, Ward, Cope, McCanlies, Mrs. Jordan, and Jameson.

GIRLS' LEAGUE is an intricately formed organization ably sponsored by Miss Eleanor Fullington, Dean of Girls, and co-ordinated by officers, executive council, and four class councils representing every homeroom in school. Officers that devoted time and energy towards the development of all West girls through Girls' League activities are Lind, president; Viliborghi, vice-president; Wardell, secretary; Crowe, treasurer. Prexy Barbara smiles for the camera during the course of a meeting. Members of the executive council are Dad, Quackenbush, Miller, Robinette, Saar, Hoggan, Crowe, Viliborghi, Mayfield, Lind, Wardell, Carson, Mahaffey, Satz, Lott, McCarty, Rainey, Locke.

Work And Fun Are Their By-Words

ON THE PROGRAM for one of the all-girl meetings is Joyce Sanders, outfitted as Santa Claus. Her act provided laughs and surprises when she distributed gifts.

Senior class council members are (l to r standing) Neiman, Saar, Milder, Talbot, Winsor, Kahn, Green, Miss Rieder, and Hoggan (seated).

Junior class council includes (1st row l to r) Martz, Melton, Shumaker, Robinnette. Second row (l to r) Langford, Carson, Miss Doyle, Mitchell.

Sophomore class council members are Miss Miller, Hostetler, Young, Blakely, Baker, Klinker, Anderson, Bryant, Jackson, McCarty, Randall, Yucas, Gerst.

Members of Freshman class council are row 1 (l to r) Frost, Lynn, Bockserman, Satz. Second row, Ziegler, Kennedy, Kassel, Burkholder, Patterson. Standing are Lebeau, Steward, Mangum, Mahaffey, Miss Ledyard.

LIVING up to the reputation as the most active group in school, Girls' League pre-viewed its year's calendar in an introductory assembly. Finding the Girls' League Valentine booth in a rare moment of inactivity, some West lads and lassies look over samples. Six popular West boys composed a panel discussing boy-girl relationships at one of the monthly meetings.

DURING either lunch period, students gathered around the Valentine booth in the quad choosing Valentines for friends and teachers. Members of Mixed Chorus delivered Dan Cupid's singing messages during a special homeroom period. A Friendship Tea helped new girls get acquainted and feel more at home in our large, but friendly school.

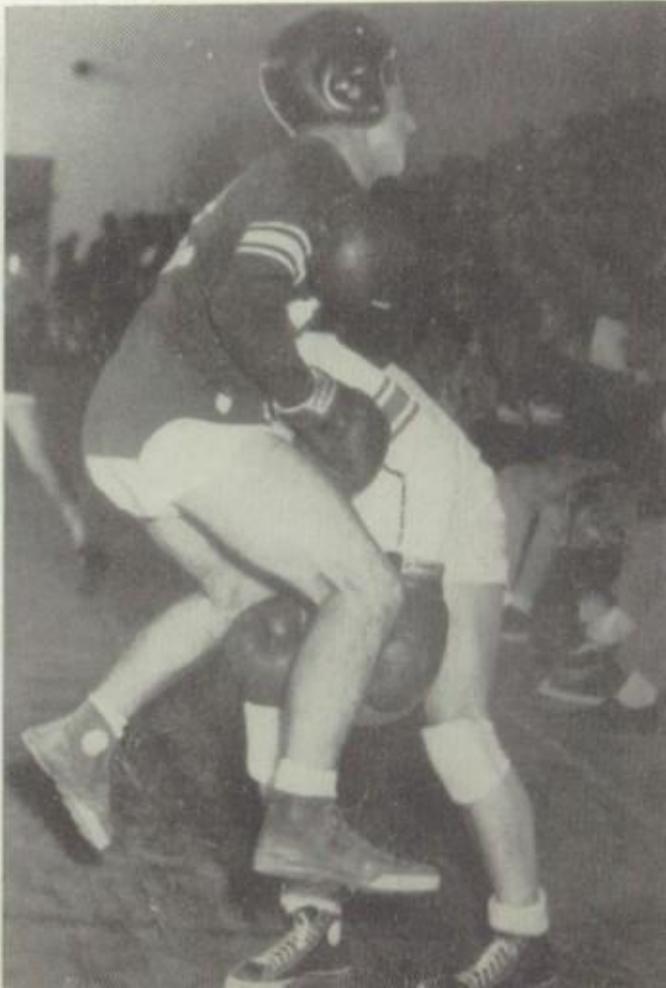

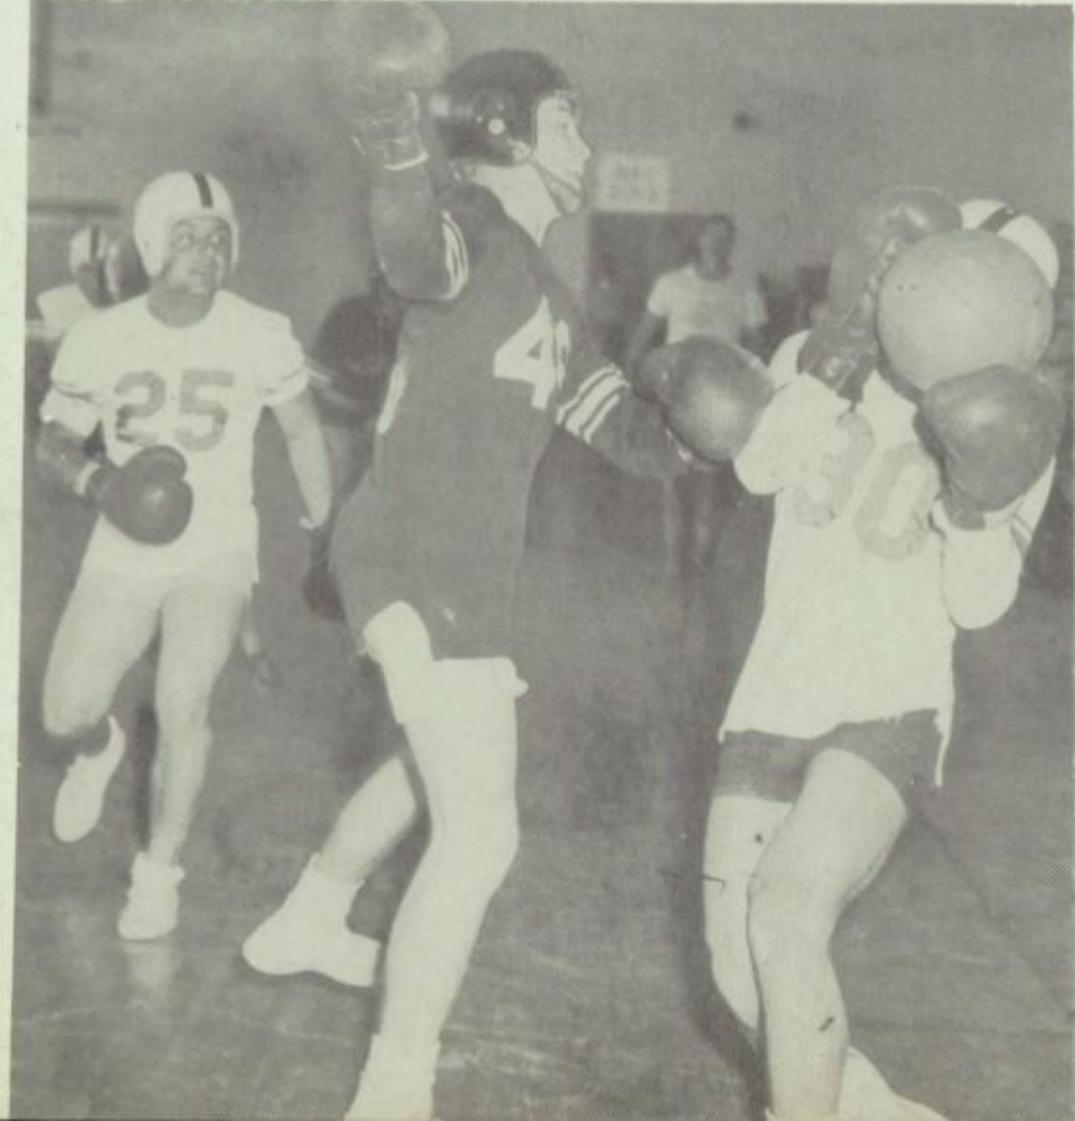

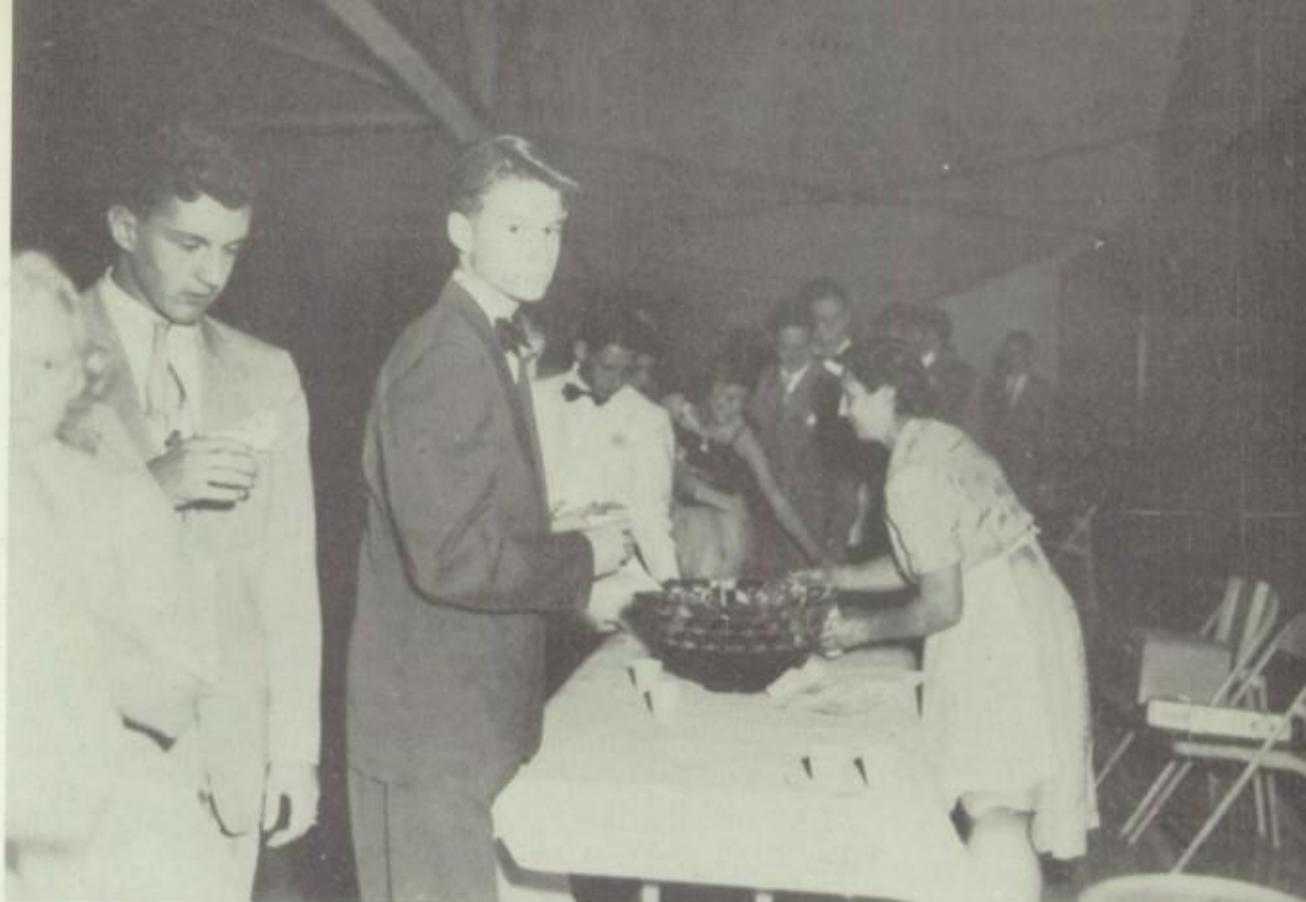

MEMBERS of the Boys' League executive council are Robertson, Lowe, Rogow, Cook, Janes: standing, Yen, Henry, Rainey, Jones, Johnson.

Boys, Boys, And More Boys

WHOOPS, pardon me . . . Laughs and bruises go along together with the commando basketball game sponsored by the Boys' League. Football helmets and boxing gloves were part of the necessary garb.

RHAPSODY in Blue, Boys' League Christmas formal dance, was enjoyable and exciting from dancing to entertainment for all who attended. Another highlight of Boys' League activities was their commando basketball game which resembled a free for all to persons caught with the ball.

LEONE KAHN and Ted Coe do one of the many things that have to be taken care of before graduation as they select their announcements. Joanne Cambell, Jackie Green, and Barbara Fereira take time out from lunch period to help raise funds for Senior Day by selling Christmas corsages. A welcome break in routine finds Senior boys eating lunch in our cafeteria. The Senior Christmas Party in the cafeteria found varied reactions on the faces of members of the Class of "52".

THEY'RE SENIORS NOW! Three years mixed with work and play have made them heir to the throne. They have thus far shown a long record of contributions to school with extra-curricular activities, and are promising more of the same next year. As Juniors they sponsored such successful events as the Mad-Hatter's Hop, the Junior assembly, and the Junior-Senior Prom on May 17. With all eyes turned towards West's first 4-year class, Juniors will meet the challenges set before them.

'FIGHT ON FOR 53'

MR. JOHN SWANSON and Mrs. Lily Murdock, friendly and able Junior Class sponsors, were always available when advice was needed on class activities such as the Junior-Senior Prom. Prom committee poses for a picture in the midst of plans and preparations for the dance. Jack Haehl puts up one of the Walt Disney Cartoon characters that were featured at the Mad-Hatter's Hop on November 16, another Junior sponsored activity.

ENDING half their high school career at West, Sophomores have bright hopes for the remaining years. Gone are the days of the lowly Freshman and the unfamiliar Sophomore and looming ahead are two bright years as upperclassmen, and from all indications, Sophs will be large contributors of school athletes, scholars, and leaders.

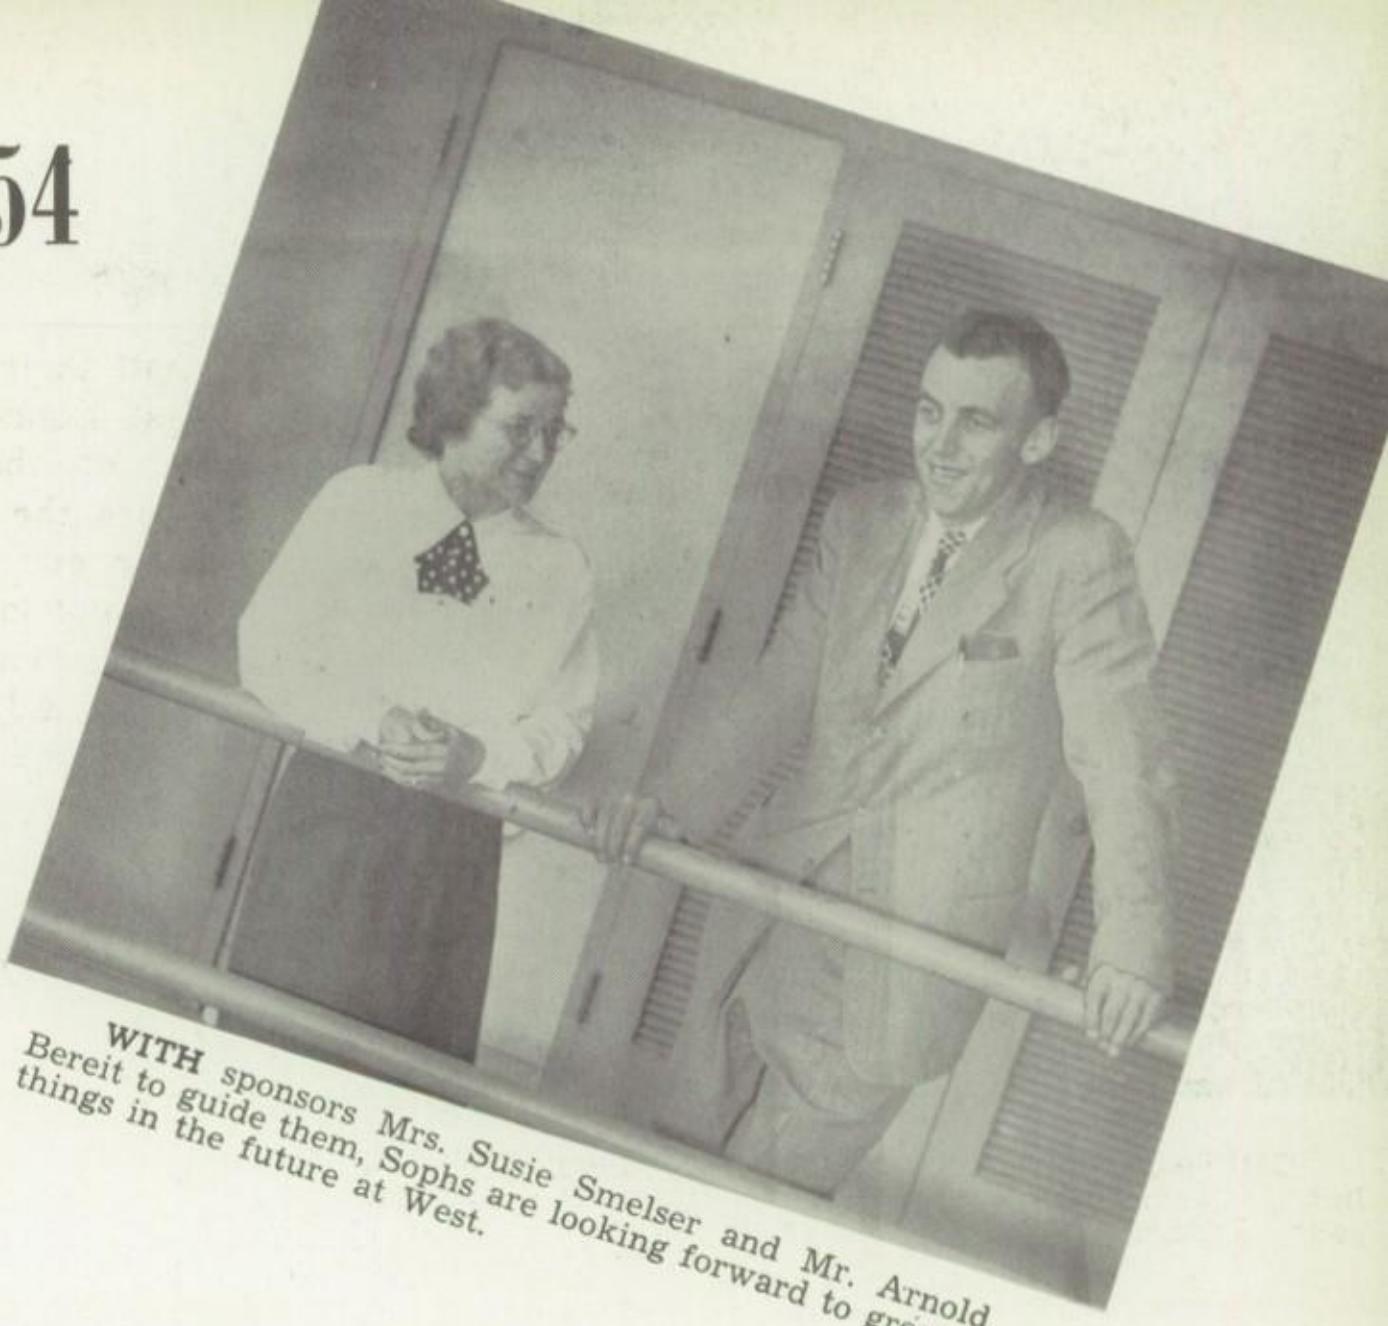

CHIVALRY isn't dead as shown by Terry Dennison, first semester class president, as he opens the door for Janet Patterson, second semester president.

Sophomores Have High Aspirations

TAKING class minutes and keeping class funds are the respective jobs of Molly Roller, secretary, and Mary Lee Moore, treasurer, in addition to the usual school work.

Class of '54

WITH sponsors Mrs. Susie Smelser and Mr. Arnold Bereit to guide them, Sophs are looking forward to greater things in the future at West.

KACHINA KAPERS. Sophomore sponsored dance on January 18, after a basketball game, proved to be a successful boost to sacrolliacs and funds. A group of class members here are looking across the rope which separates the dance floor from the side lines.

TO BEGIN a successful career at West, Freshmen chose Mike Armer, president; Lily Yee, vice-president; Cornelia Byers, secretary; Glenn Quick, treasurer.

Underclassmen Are Up and Coming

BOASTING over 600 members, the Freshman class forged their paths into West High life through routines like dropping books, getting lost, and asking questions. They proved their capabilities by sponsoring a comic Valentine dance after a basketball game February 8, and a rip-roaring assembly Feburary 21.

'55's Our Year!

GUIDING Freshmen through their first year with friendly advice and help were Mrs. Virginia Tufte and Mr. Robert Hart. Proof of Frosh versatility was shown by George Boid when he kept the student body in stitches with his Can Can dance in the Freshmen assembly. Cokes and all-day suckers were given to five homerooms that were 100 per cent in class dues. Mr. Folk's homeroom, first prize winner, is shown enjoying the pause that refreshes.

FRESHMEN

ASSEMBLIES with the Seniors always proved lots of fun for Freshmen. President Fred Buddinger is busy reading the bulletin during homeroom while Barbara Kirkpatrick, secretary, checks class dues. Announcements of school activities are also heard at this time. Outdoor assemblies, roomier and louder, gave Freshmen a real chance to exercise their vocal chords.

SWIMMING is a major recreation in sun-drenched Arizona. All West students are expert swimmers, and spend their leisure time dressed for the sun. Out-of-doors living is a way of life in Arizona.

THIS scene was repeated just before every game but it had special meaning when the Thunderbird gridders huddled just before the PU game. Don Coyote pass defense players couldn't stop this one headed for the arms of Wayne Haley.

Bud Robinson's football edition for 1952 was made up of nine seniors and 18 underclassmen. Although the Bird gridders started the season poorly with five consecutive losses, they finished in fine fashion and wound up with a 3-6-1 record.

NORTH 20, WEST 13

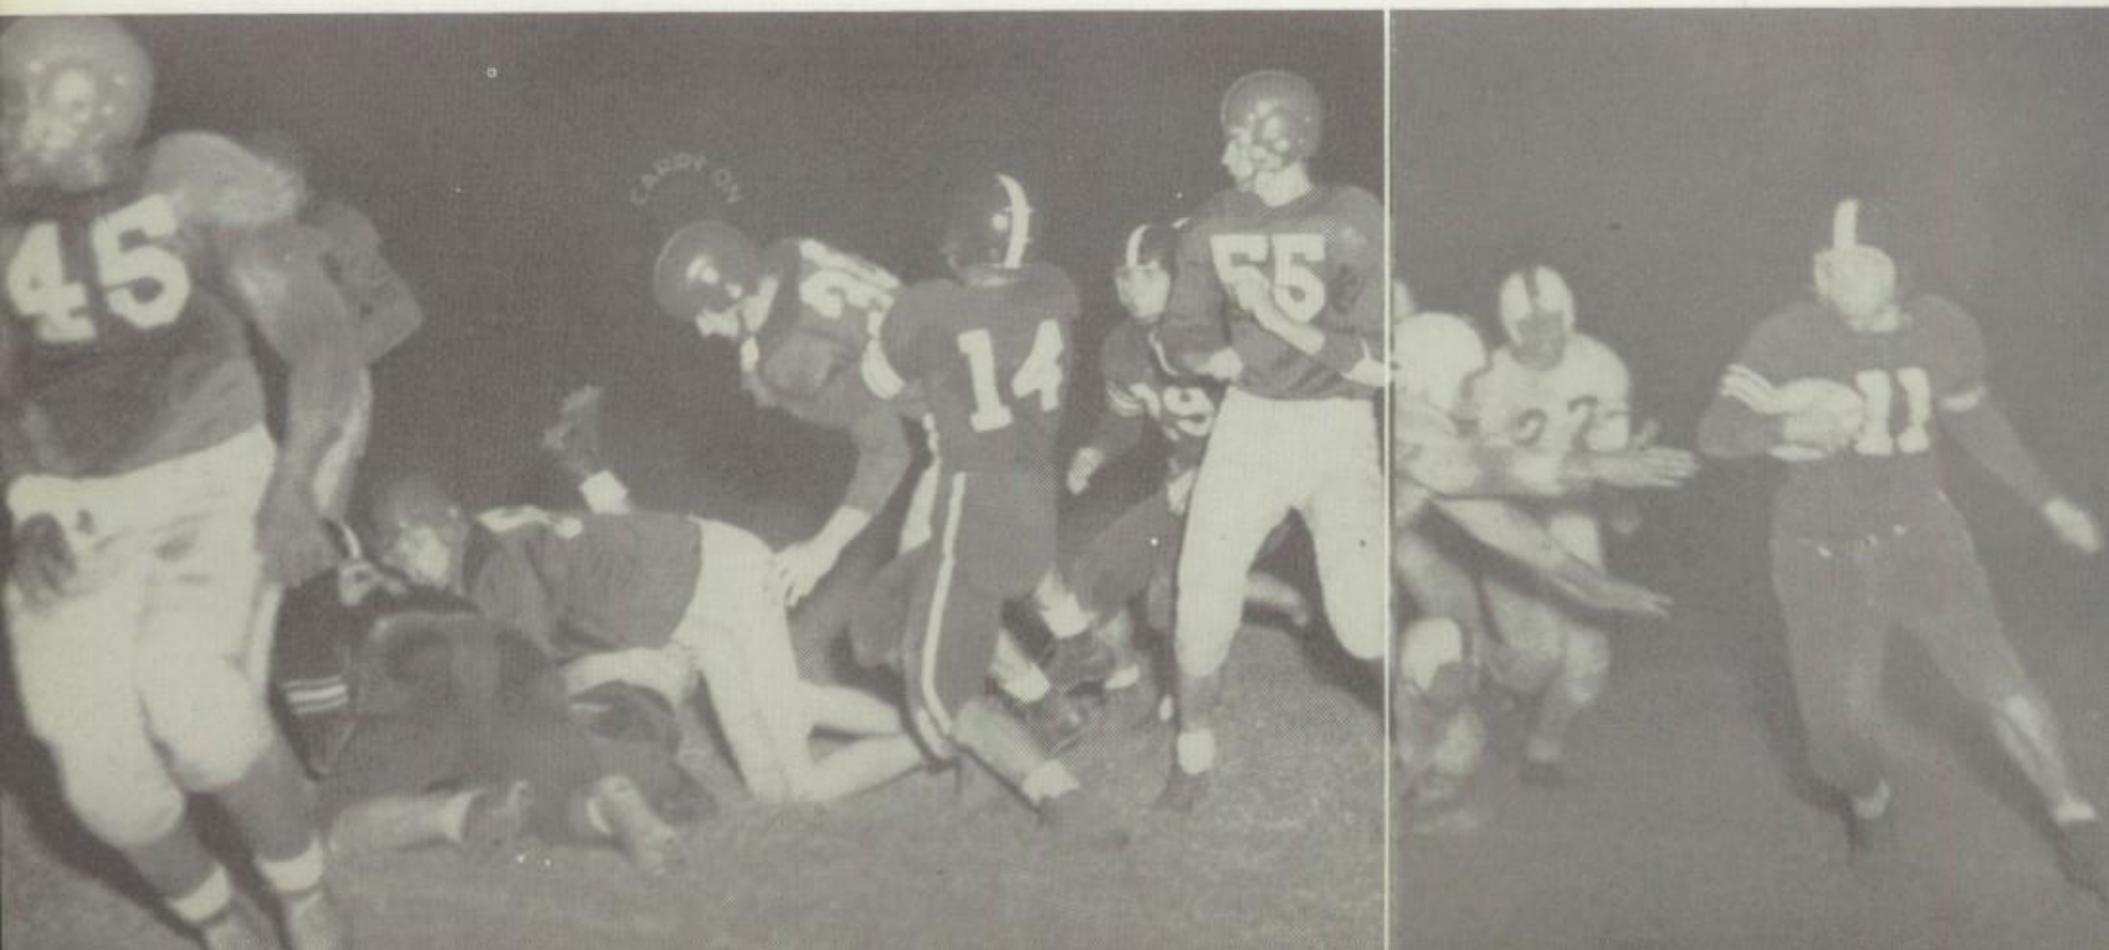

Play began on Sept. 21, when the Thunderbirds encountered the North Phoenix Mustangs. West grabbed a decisive 13-0 halftime lead only to have surging North come back after intermission to win 20-13.

TUCSON 7, WEST 6

Tucson was the next on the slate but a series of bad breaks and several fumbles spelled out a 7-6 loss for the Birdmen in the Old Pueblo.

JACK Blake puts the squeeze on Mesa ball carrier as Harley Van Kirk comes to his aid. West lost, 49-24.

WAYNE Haley evades St. Mary's tacklers for a short gain. The Knights won, however, 20-14.

ST. MARY'S 20, WEST 14

St. Mary's, who eventually took the mythical state championship, had to score in the final minutes to eke out a 20-14 victory in their first West gridiron meeting October 13, on the turf of Montgomery Stadium.

MESA 49, WEST 24

The Rabbits of Mesa made it three in a row when they gave West its worst defeat of the season. We led at the end of the second stanza but a third quarter spurt put Mesa out front where they stayed for the rest of the game.

PRESCOTT 7, WEST 0

Traveling to Prescott's mile high altitude, Coach Bud Robinson's Thunderbirds couldn't get going on the loose dirt at Yavapai County Fairgrounds. The Badgers finally broke the defensive deadlock by scoring just before the game ended.

TEMPE 19, WEST 19

Figuring that 21 points would have won all but the Mesa game, Coach Robinson changed his offensive formation from the "T" to single wing. The change worked as West held a super-charged Tempe Buffalo eleven to a 19-19 draw on October 26, in Goodwin Stadium.

GLENDALE 19, WEST 20

Our neighboring rival out Glendale way had all the plans necessary for a Thunderbird massacre seven days later, but they reckoned without the new, vitalized Bird offensive punch. West Phoenix edged the Cardinals in the scoring melee 20-19.

YUMA 32, WEST 26

An inspired band of Yuma Criminals laid waste to West's comeback strategy by running over and around the Maroon and White 32-26 in a high scoring game replete with all the thrills of fast gridiron action.

PHOENIX UNION 6, WEST 20

West's hour of triumph did come. The season was a success. The Thunderbirds soundly trounced their favored cross-town rivals in no uncertain fashion 20-6 and rubbed such salt into Don Coyote's wounds he rose up to smack vaunted North Phoenix 33-0 Thanksgiving Day. Wicky Kay led his inspired mates in their first gridiron victory over Union.

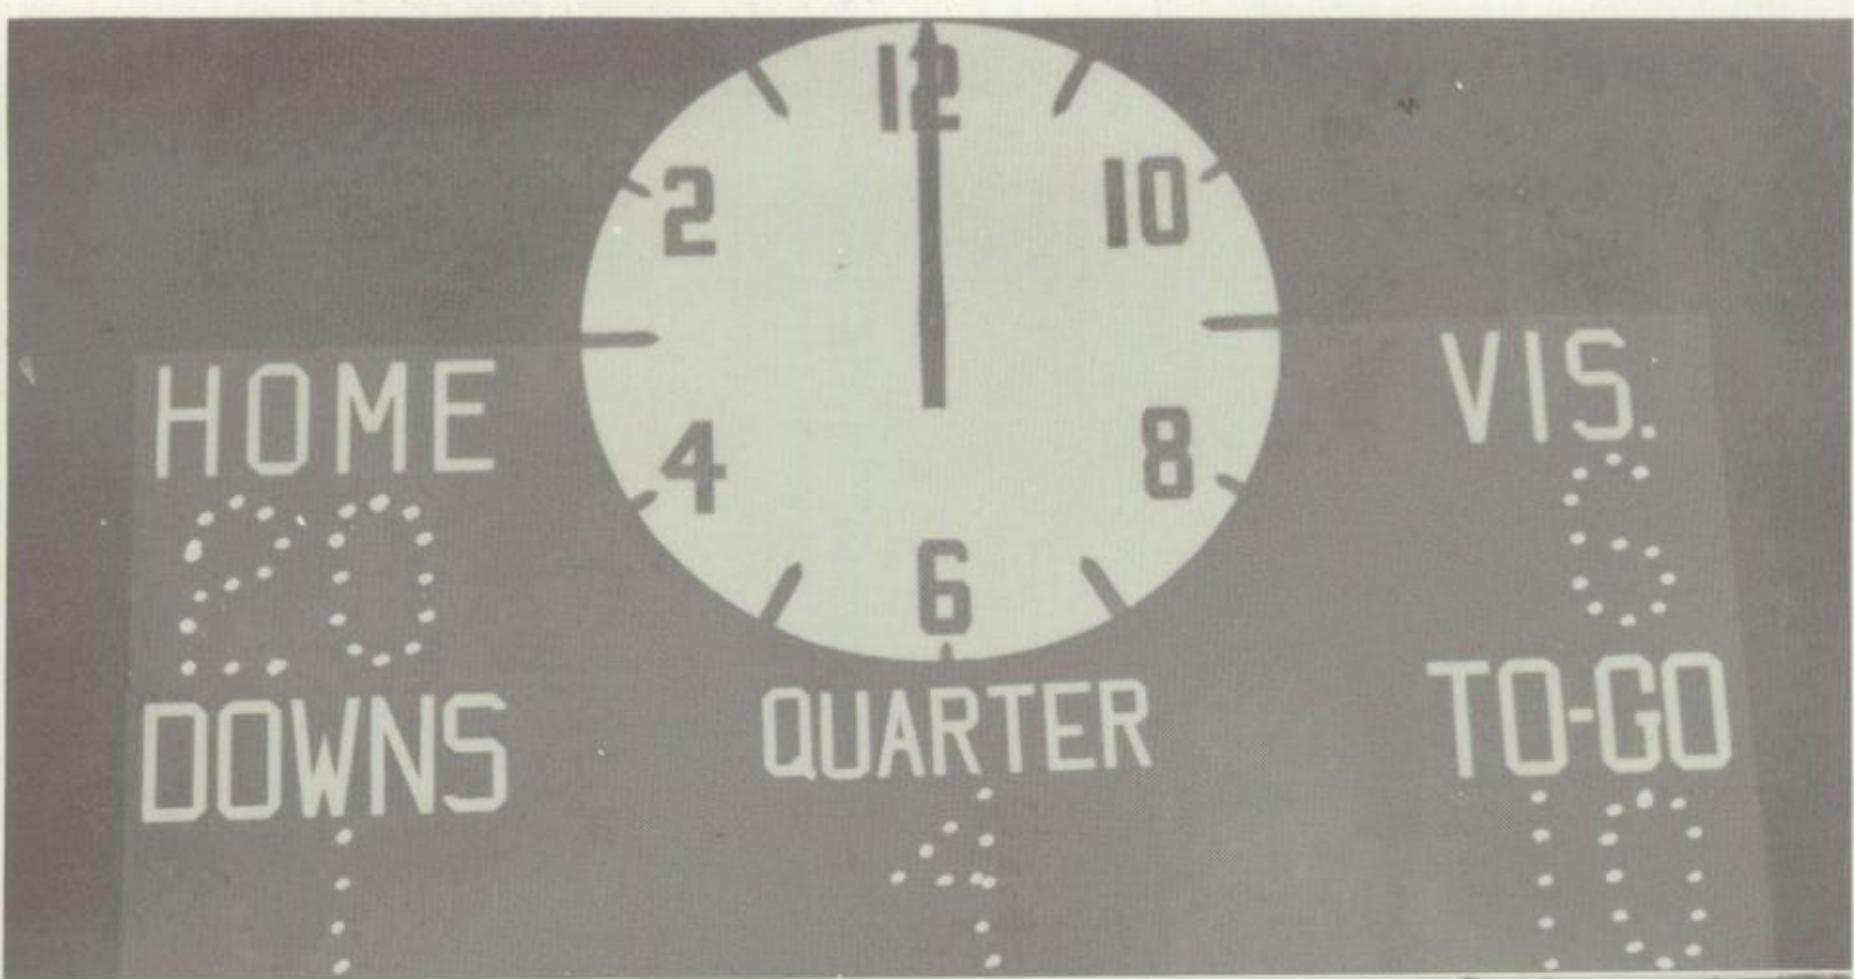

PHOENIX TECH 6, WEST 19

Sheer power generated by West's bevy of backs and hard charging linemen made a shambles of a fine Tech eleven after a 6-6 halftime score. An old-fashioned Western Thanksgiving dinner was enjoyed by all the following day to end a highly successful football season.

A TECH runner is stopped cold by Bill Howell and Jack Blake as Harley Van Kirk and Philip Astrolio are ready to assist.

COACH Cecil Crouch's JV gridders finished their season with a 2-4-2 record. The Fledgings boasted victories over St. Mary's and Glendale while tying Carver and Phoenix Tech.

West's Frosh ended their schedule with one victory against seven defeats. Indian School was the sole victim of Tony Ljubicich's eleven.

WHEN the 1951-52 basketball season began nobody thought West High would win the Class "A" tournament championship. Although Link Richmond had eight returning lettermen, Aces Rountree and Black were gone.

After weeks of tryouts Coach Richmond chose his starting combination. It consisted of Murray Rogow and Wicky Kay, forwards; Max Lind and Don Reddick at guards, and David Thomas at the pivot spot.

JERRY HORRALL

WEST opened the season hot by copping four straight contests. On December 7 the Birds whipped Mesa 36-30 and trampled Yuma 51-28 the following night.

Richmond's quint continued its winning ways the following Friday by dropping North 53-47 in a see-saw battle. Saturday night, the flock surprised favored Phoenix Union 41-40 in an overtime fray.

GLENDALE halted the Thunderbird's streak with a sound 56-48 conquest on December 21. West, however, shook off the defeat and tripped Phoenix Tech 41-40 in a double overtime thriller. Tucson dealt the flock its second loss, 57-52 on Jan. 5. Terry Coyle earned a starting berth by scoring 20 points in this game.

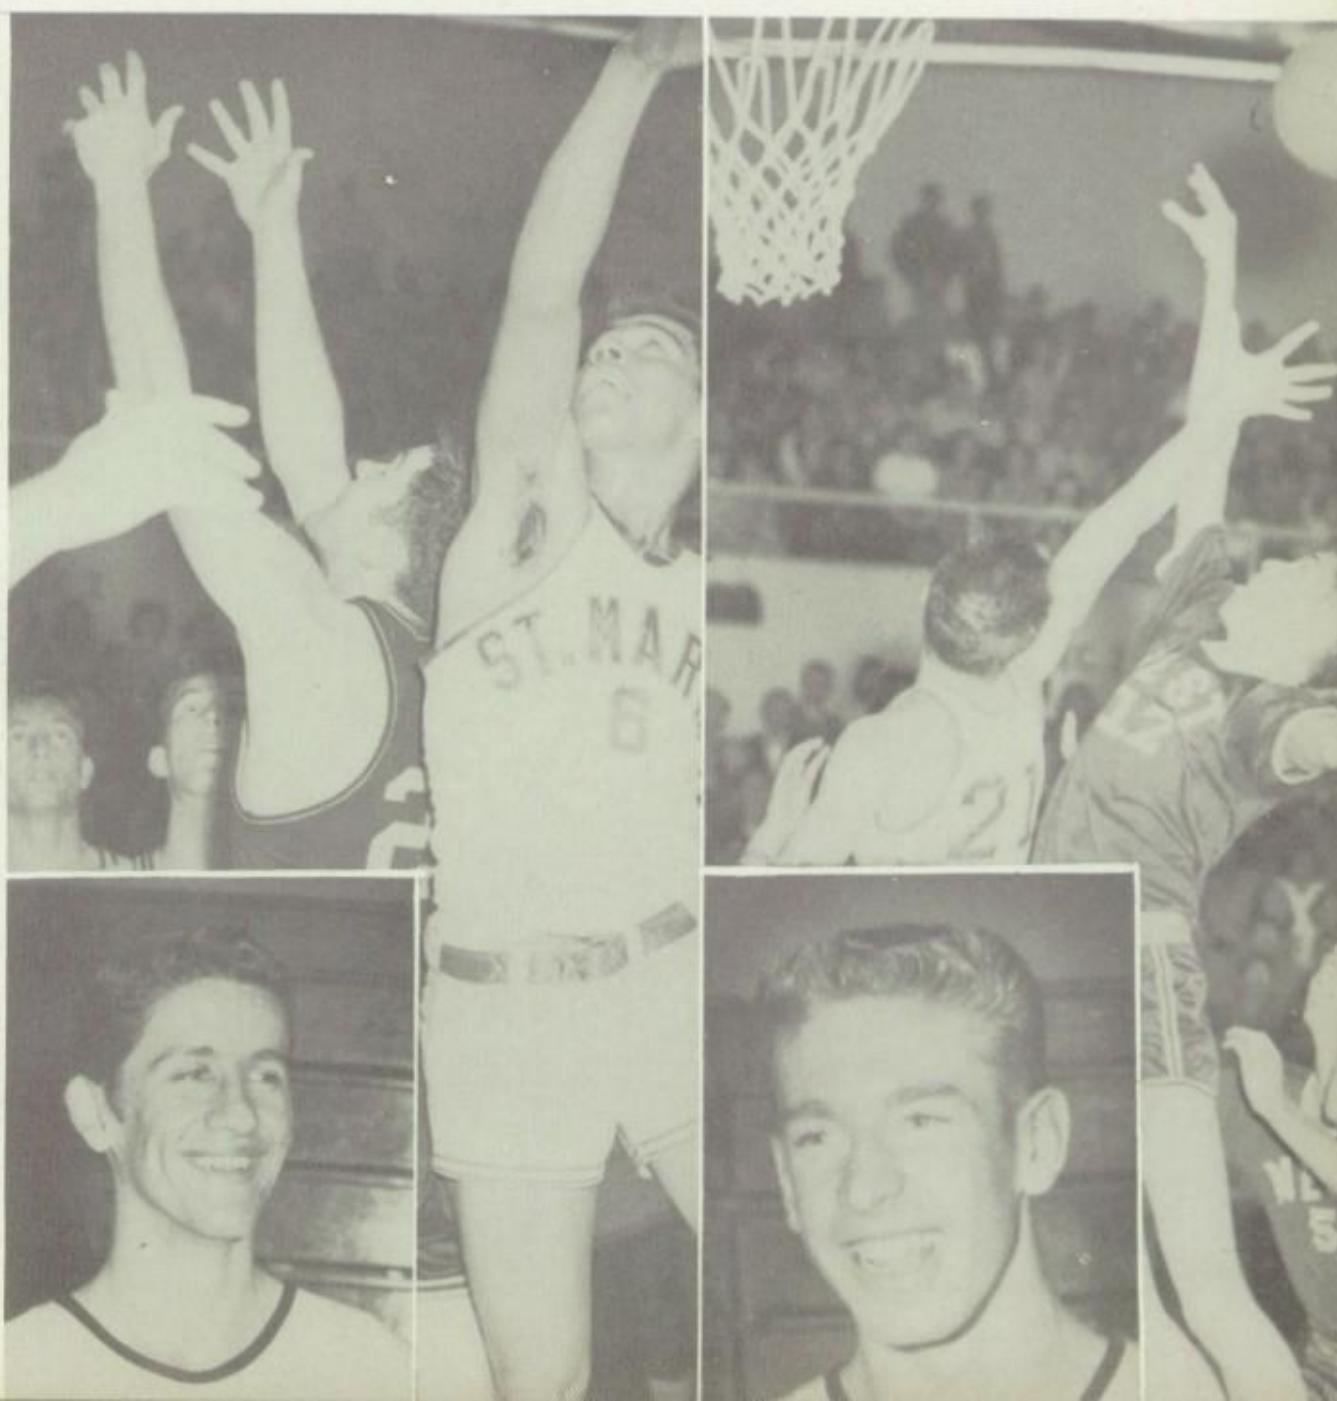

Richmond's five won close ones from Amphitheater and Prescott before dropping a heartbreakin 36-34 double overtime clash to St. Mary's.

THE WEEKEND of Jan. 25-26 was disastrous for the birds as they dropped consecutive contests to Phoenix Tech and Tucson.

P.U. avenged its earlier setback when they trounced the West quintet 49-37 on Feb. 8. Inexperienced Yuma provided little competition for the Phoenicians and bowed 42-15, but the long trip home and improved Mesa nudged West 42-39 the next night.

NORTH was the final opponent on the slate for Link Richmond's crew. Playing with a juggled lineup, the Thunderbirds won a hard-fought 41-40 decision. Ed Butler, a reserve all year, paced the birds with 14 markers.

TEAM and fans alike mob Coach Link Richmond after Birds edged Phoenix Tech 41-40 in regular season double overtime thriller.

CENTER Neill Richards tips sphere to awaiting JV mates—Bob Mueller, Benny Baker, Wayne Hogg, and Bill Braman. Action took place in first Tech game.

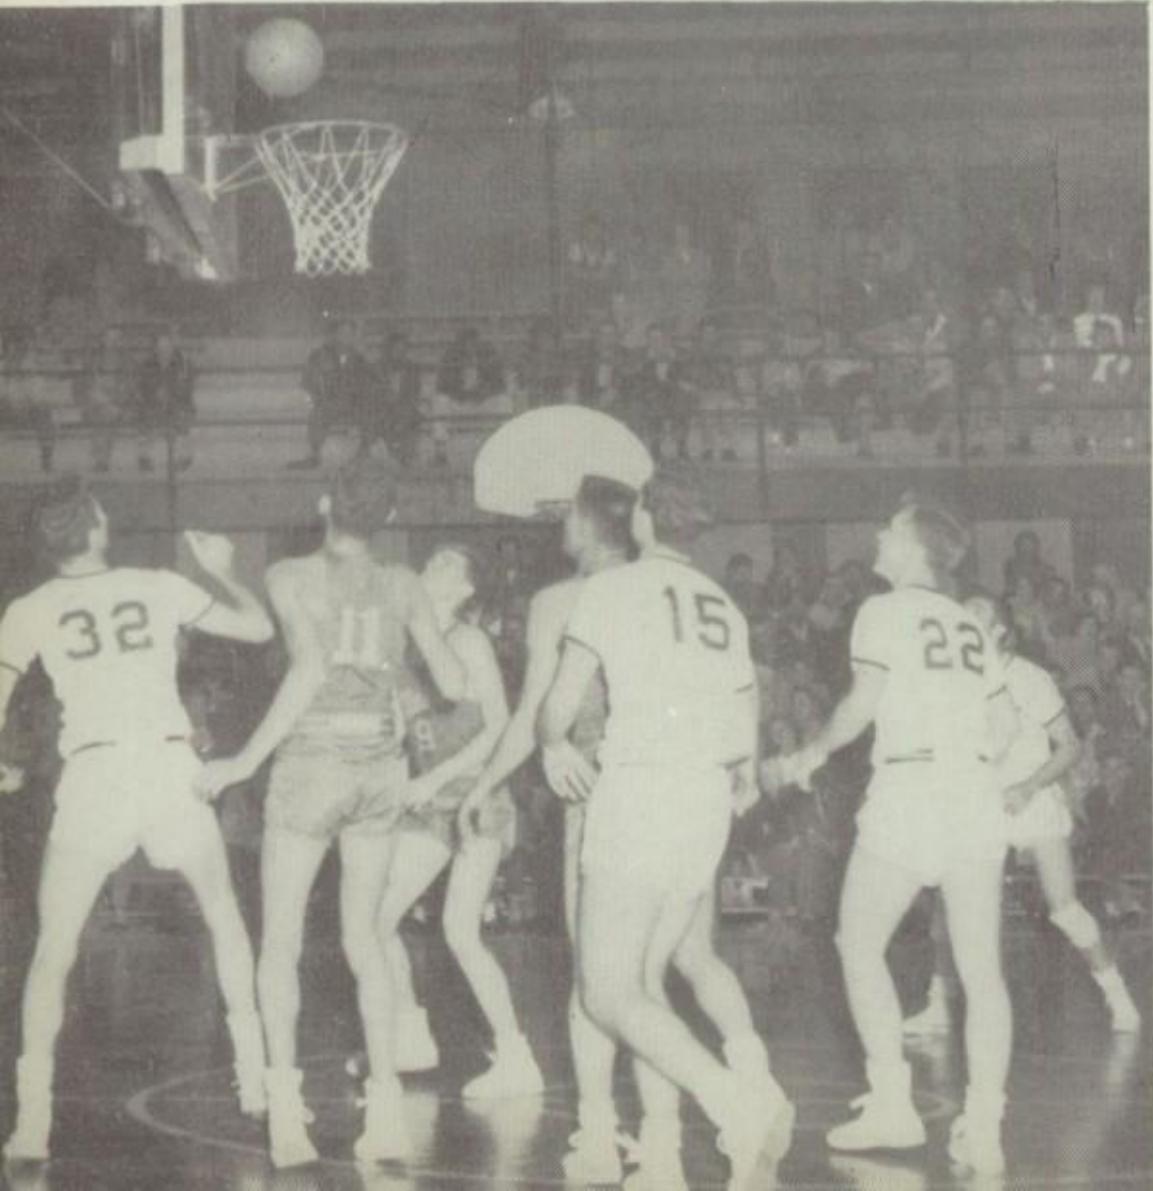

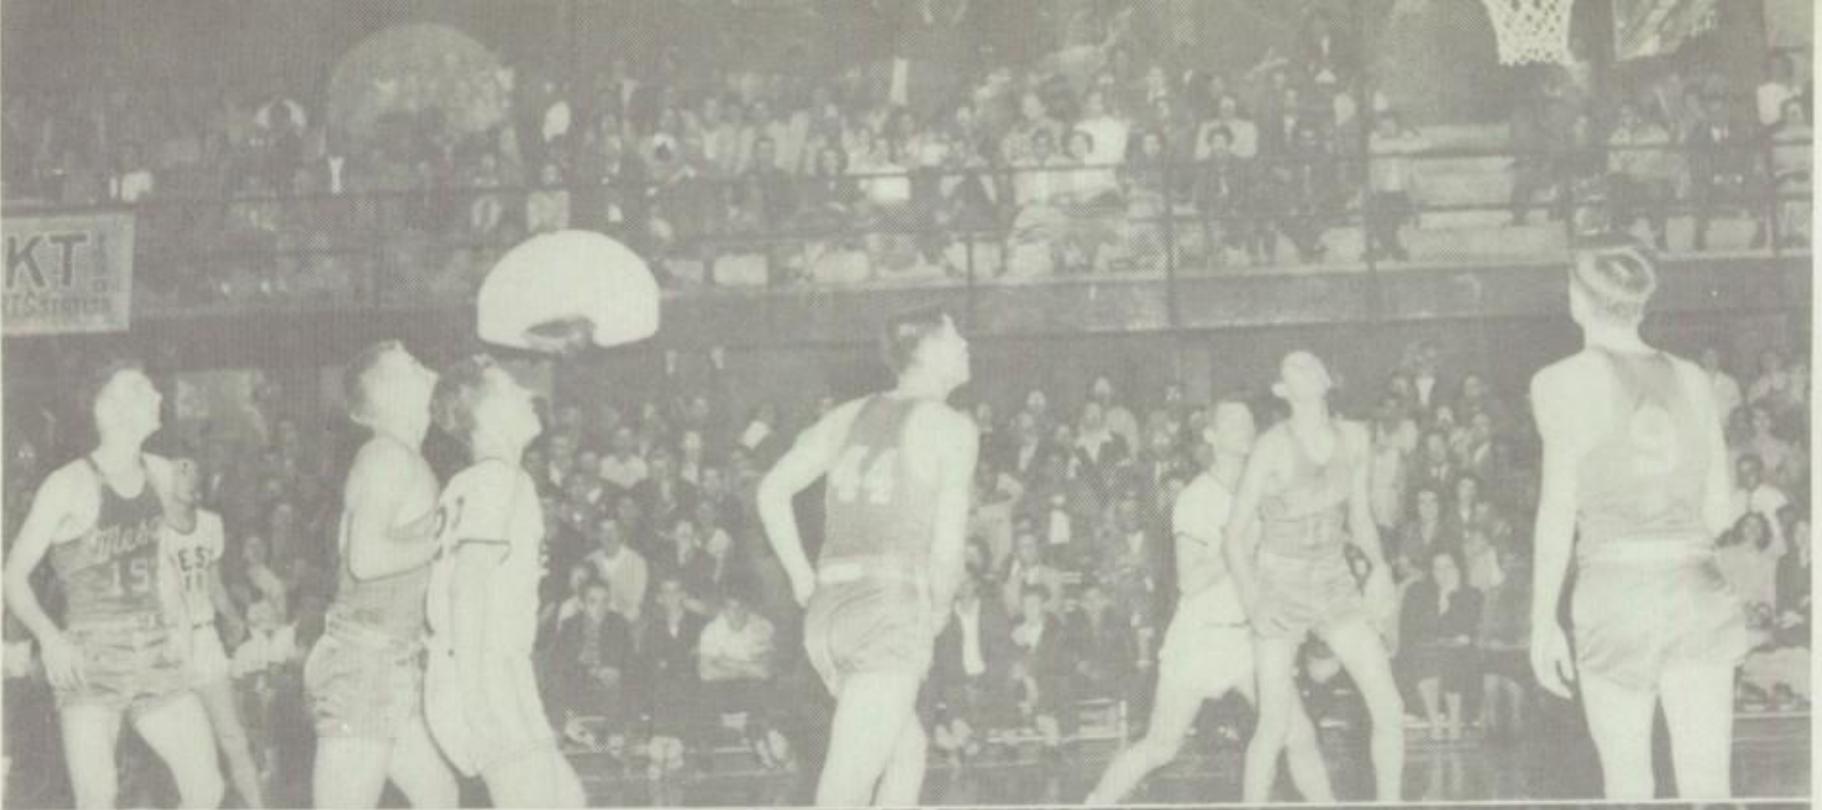

COACH "Brick" Brahams' junior varsity cagers achieved what every basketball team dreams about doing when they finished their season with a perfect (15-0) record.

Four Juniors and seven Sophomores composed the squad with Neill Richards and Bob Mueller top scorers. Many members of the team will fill the eight varsity holes left by graduation this year.

UNLIKE the JV's, the Frosh hoopsters wound up with only four wins in 15 outings. Don Andres and Ronald Zerbe paced Ed Walsh's quintet all season.

MEMBERS of the undefeated junior varsity team (front l to r) Robertson, Stegwell, Wolf, Hogg, Nelson. (Back) Morrell, Mueller, Richards, Clemmer, Braman, Baker, Coach Brahams.

1952 "A" Tourney Champs

TUCSON was the site of the 1952 Class "A" tournament Feb. 28, with Phoenix Union and Tech pre-tourney favorites, but West's cagers displayed great team play and marksmanship to come back with the trophy.

Amphi was the first victim on the Thunderbird list bowing 47-45 as Rogow led the flock with 12 markers. Max Lind and Thomas added 11 apiece. Runt Goddard's Hornets just couldn't catch the Birds in the second contest and lost a 44-43 thriller.

MESA, defending champs for the second straight year, threw a scare at Richmond's hoopsters in the tourney finale when they built up a 12-1 lead and held on for a 20-15 halftime edge.

From then on it was all West High as Thomas began to hit the nets from everywhere to turn the game into a one-sided affair. The Bird pivot man, in rare form, dropped in 21 markers to earn a first string berth on the all-tournament squad. Rogow and Lind gained places on the second five.

FORMER baseball teams at West High have not shown as promising as the 1952 club. Coach Cecil Crouch moulded his squad from 13 returning lettermen, former junior varsity stars, and a transfer from Ohio.

Sophomore hurler, Jack Blake, headed the pitching staff with two victories, over Buckeye and St. Mary's. Wendell Simpson and Kenneth Schunn also chucked well for the Thunderbirds.

HITTING was no problem to Coach Crouch. Terry Coyle, Wicky Kay, Bill Hatcher, and Doug Blakely all hit above .300.

Since there were only five Seniors on the roster, West Phoenix should be the diamond terrors in prep baseball next year.

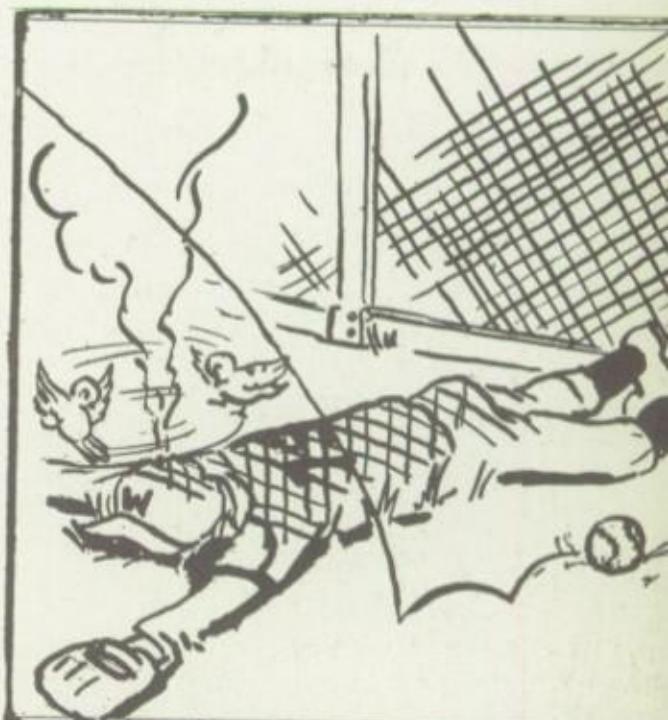

TAKING his raps at the plate is West outfielder Doug Blakely.

TRACK

VARSITY track members are (bottom, l to r) Shaw, Haley, Lambie, Carpenter, Charnofsky, Simpson, Burris, May, Caldwell. (middle row) Holt, Floyd, Payne, Becker, Blanton, Sheldon, Baker, Van Kirk. (back row) Coach Brahmans, Barnett (mgr.), Goodwin, Vaughn, Byrd, Jones, Henrie, Crookston, Rimer, Horton (mgr.), Coach Braasch.

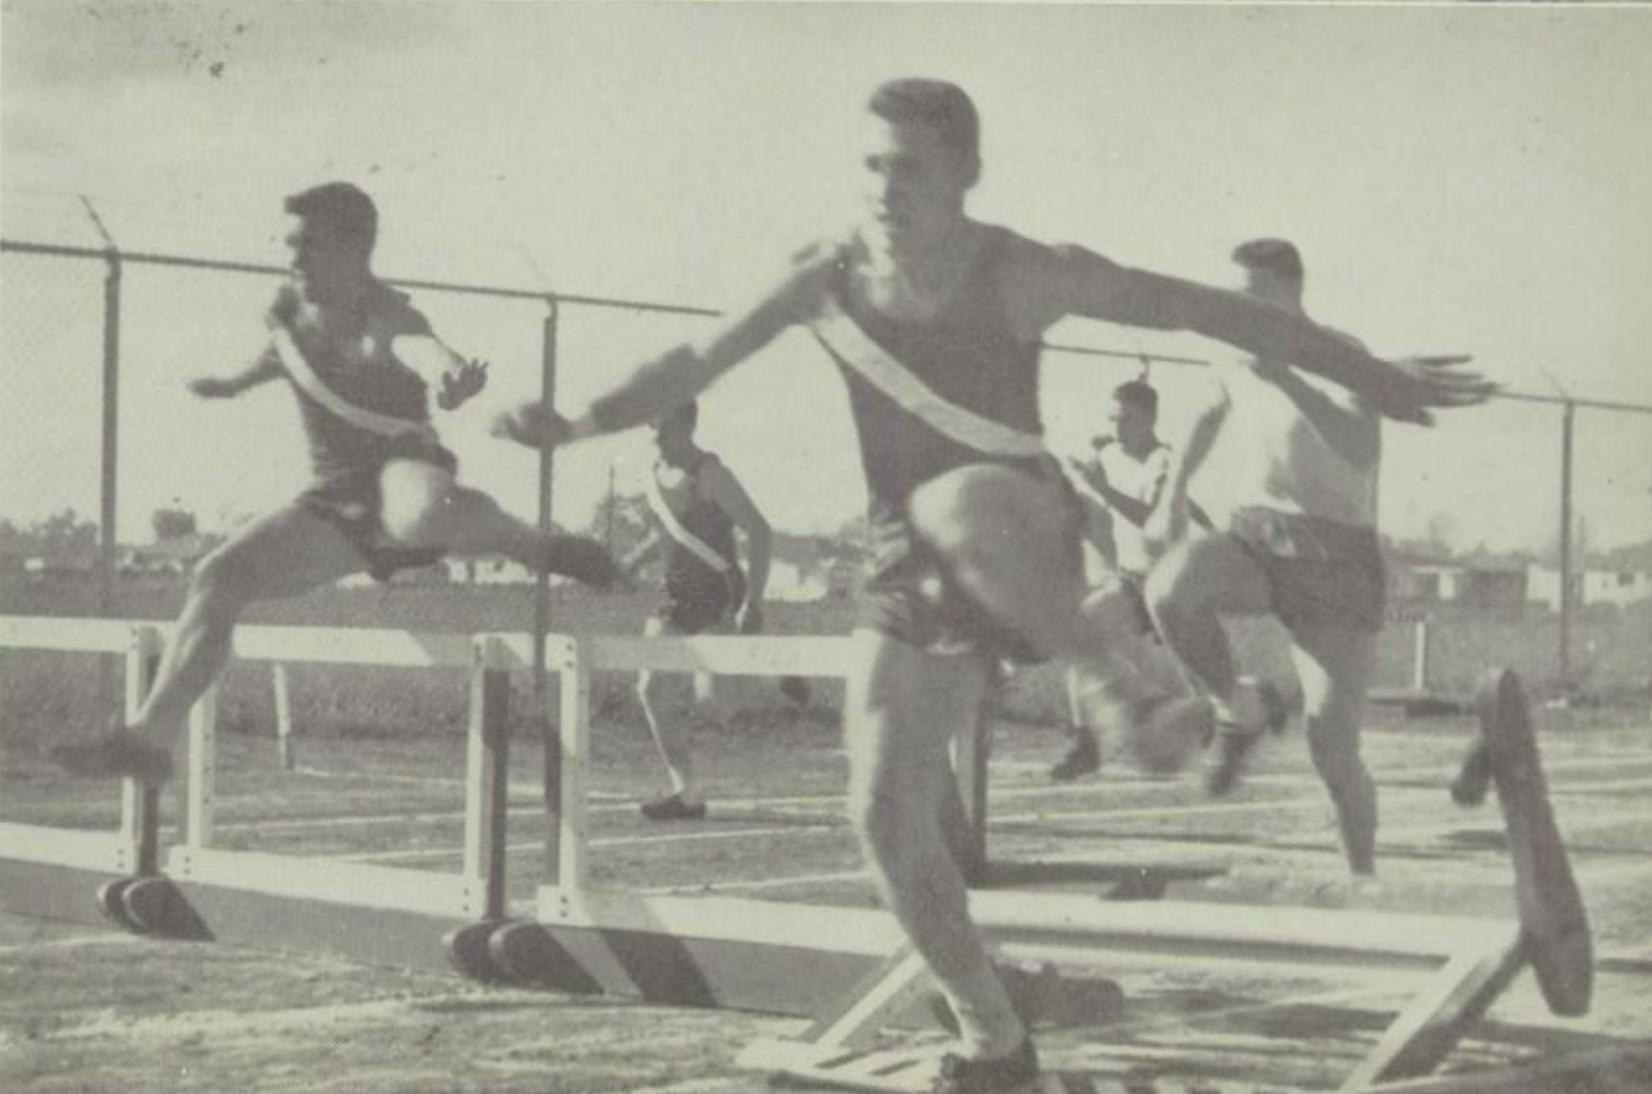

RICHARD Reimer shows good form in clearing the first hurdle in the 120-yard high hurdles against Prescott High.

UP and over goes Sam Henrie, West's ace high jumper, as he clears the bar at a height well over five feet. Richard Crookston, waiting his turn to broad-jump, takes time out to watch his teammate.

OUCH! But he won. Harley Van Kirk knocks down a hurdle in a meet against Prescott. Arvile Caldwell, (far left) exhibits nice form as Bill Lambie (second from left) approaches his barrier.

RICHARD Crookston nips Prescott High's 440-yard run ace at the finish line with Sam Henrie close at their heels.

WEST High's thinclads showed greatly improved strength this year as they took three victories against three losses in dual meets and a third spot in the city title race as the Westerner went to press.

Coach Vern Braasch's squad opened the season with a 76-37 victory over Tempe High but lost to potent North $75\frac{1}{3}$ - $37\frac{2}{3}$ the following week. Richard Crookston scored $19\frac{1}{4}$ points as the Birds crushed Glendale 73-40.

WALTER Goodwin breaks the tape at the finish line as he easily wins the mile run with no competition.

THE BIRDS won their second straight meet in tumbling Prescott High 68½ - 44½, but Phoenix Union turned the tide by outscoring the Birds 69½ - 43½.

West made its best showing of the season in scoring 22½ points in the city meet to gain third place in the city. Arizona Relays and University Week are future big dates.

Richard Crookston and Harley Van Kirk were the greatest point standouts of the season, although Walt Goodwin, ace miler, showed the most outstanding progress.

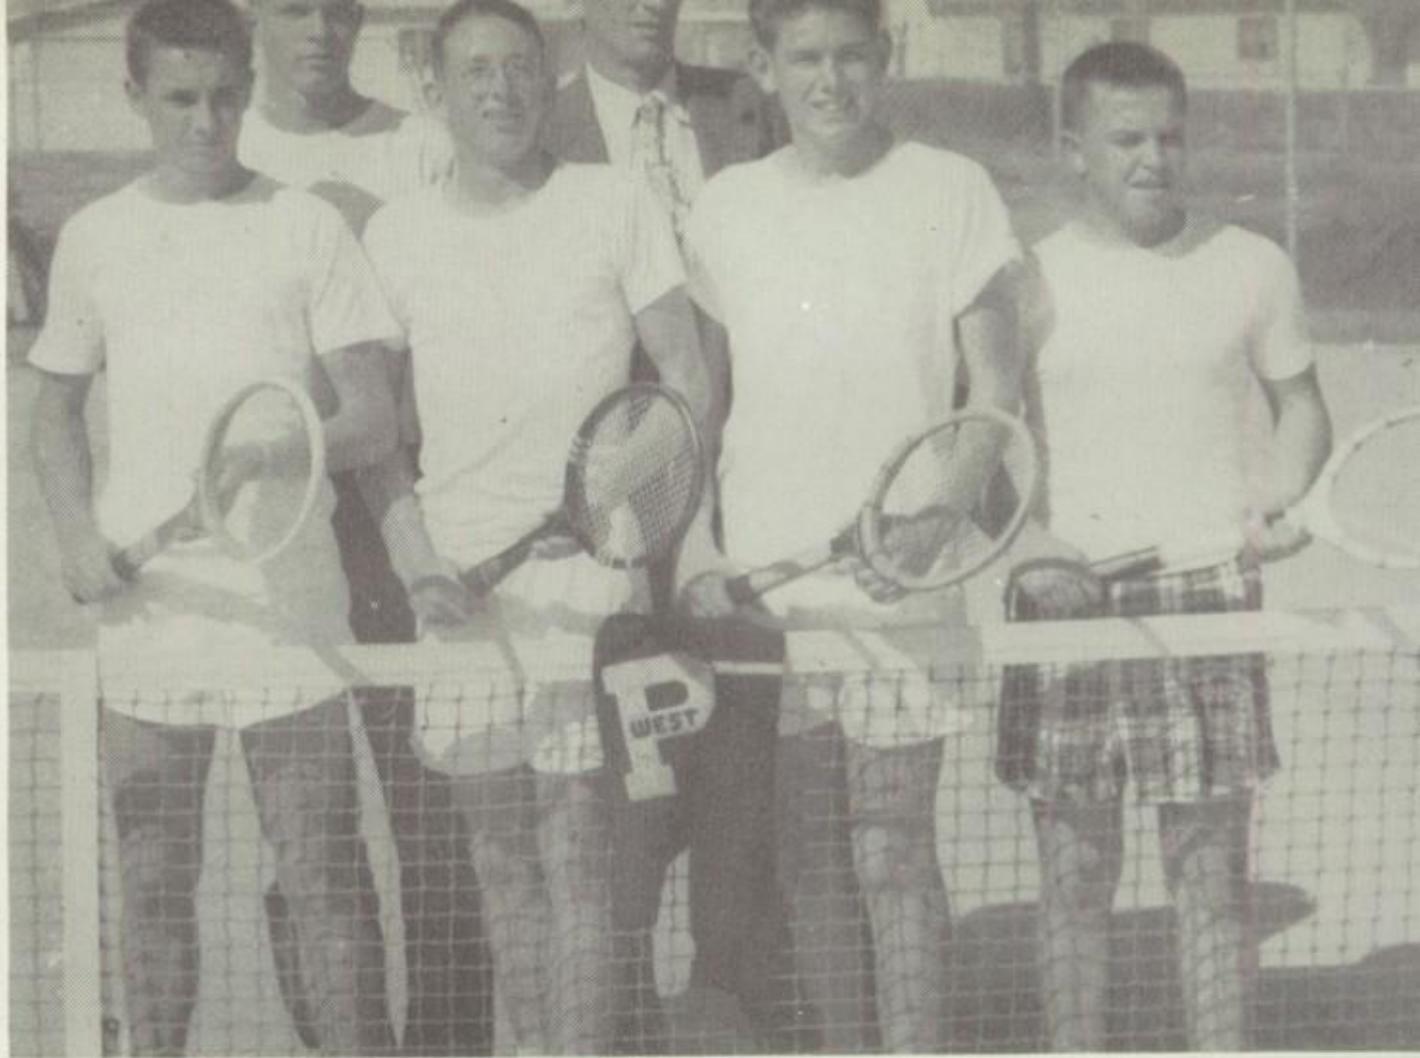

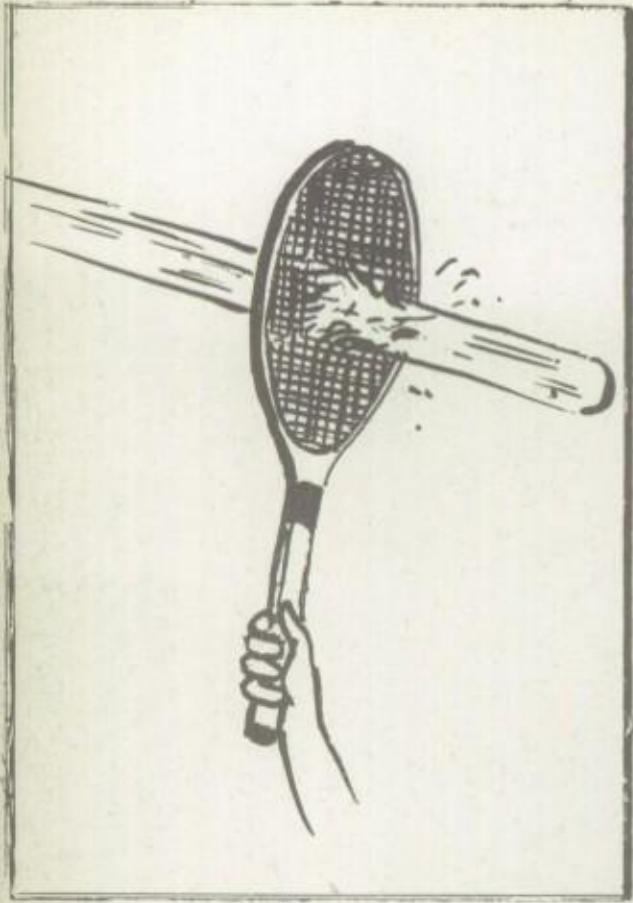

SPRINTER Harvey Charnofsky and pole vaulter George Vaughn were outstanding Sohpmores who will be returning with such Junior stars as Louis Becker in the 880-yard run, Richard Rimer, high hurdler, and Sam Henrie, high jumper.

CLEARING the bar in practice is West pole vaulter Donaldson.

JUNIOR Varsity Track Team members are (Front row L to R) Yamashiro, Wilson, Johnson, Jones, Meagan, Petite, Van Kirk, Yancy. (Top row L to R) Coach Brahams, Bar, Nickum, McCray, Cox, Davis, McIntire, Richardson, Hobe, Coach Braasch.

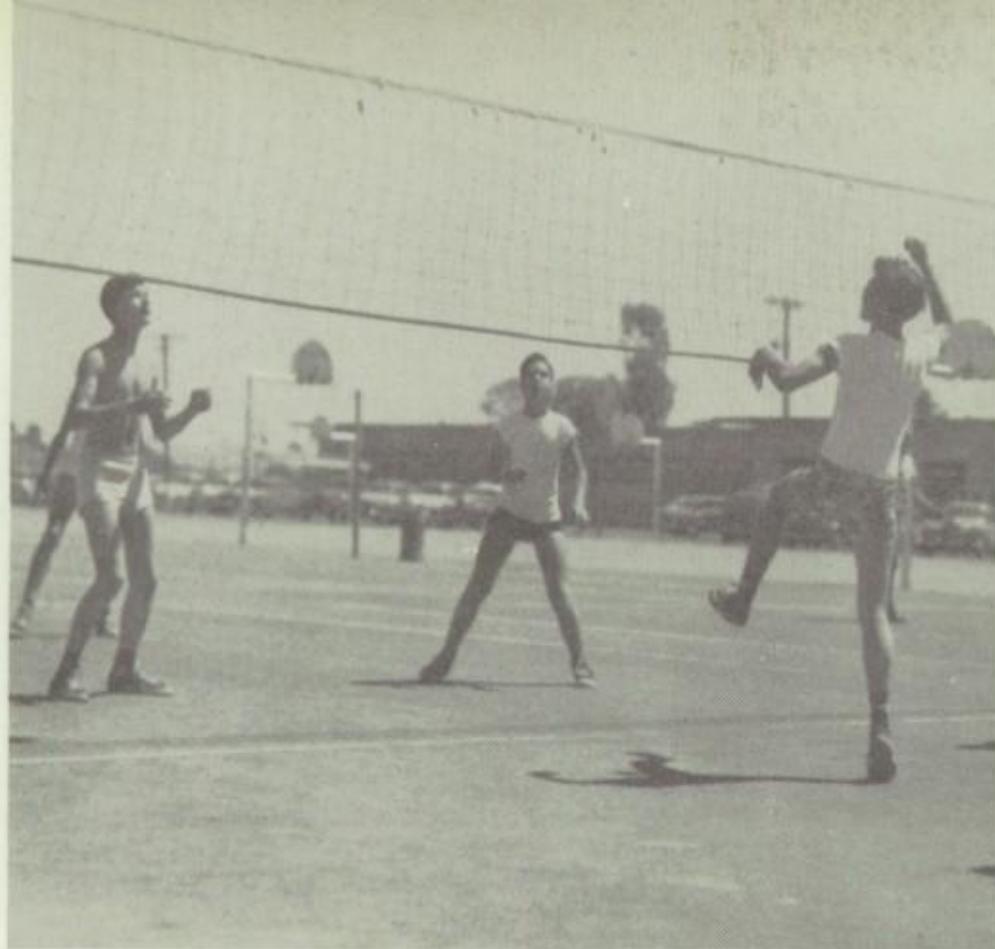

TENNIS at West has taken a decided spurt under the tutelage of Coach Chris Carnahan and their season record stands best in Arizona. Boys' 1952 tennis team members are (l to r) Lloyd Richmond, Buzz Rogers, Darwin Van Campen, Coach Chris Carnahan, Dennis Lyons, and Gary Driggs.

MINOR SPORTS

DEFENDING class A champions—the West High golf team is ready to keep their record intact. Left to right are Wolfe, Sherman, Bowerback, Fagerberg, Coach Heidenreich, Fannin, Leppin, and Davies.

HEALTHFUL outdoor physical education is an attractive feature of West Phoenix High School. All boys get a good tan from engaging in vigorous fresh air sports under the direction of top notch instructors. Few schools have a 40-acre campus on which every field sport can be played with elbow room.

WILL it go in? If it didn't than an outstretched hand will get it. An active basketball game climaxed with a warm shower is enough to make anyone feel wide awake for the rest of the day.

HEALTHFUL EXERCISE

MOST unique feature of the new P.E. additions is the completely mirrored wall in the modern dance room. Here it reflects Miss Parfitt leading a group of tap dancers.

WEST girl archers won all of the five trophies at the annual high school archery tournament at Arizona State College at Tempe in March. Being presented in assembly by Jim Newman are Lorna Price, Martha Harrington, Carol Sanchez, and Shirley Jutkins.

COMING out of the girl's locker room are students Diane Divelbess and Eleanor Gieger.

PLAYING shuffleboard was a very popular recreation during the faculty get-together as is shown by teachers (l. to r.) Whittebort, Walker, Doyle, Sain, and Parfitt.

DIRECTING girls' physical education activities this year were Jeanette Parfitt, dancing, athletics, cheerleading, GAA; Miss Jeanne Bailey, athletics, archery, Letter Club; and Mrs. Lorette Brinegar, tennis, department director. Not pictured is Miss Priscilla Prather, dancing and productions teacher.

FEMME FUN

GIRLS' varsity tennis team completed another highly successful season competing against all the top teams in the state. Peterson, Emmons, Mathews, Poppino, Allison, and Sagawa relax before a match.

SHUFFLE, shuffle, shuffle, hop — this time it's dancing, not bridge! Miss Parfitt leads beginning students in a tricky tap dance in the modern mirrored dance room.

PROVIDING a well rounded health program, the girls' physical education department is designed to interest girls of every sport taste. Included are tennis, hockey, archery, basketball, softball, speedball, volleyball, dancing, and productions class. Girls spent endless hours after school in special activities, tennis, archery, Letter Club, GAA, and cheerleading.

EVERYBODY clear out! — Jackie Green is about to sock the hockey ball past the goalie and through the goal posts. Other girls on Jackie's side had already cleared the path for her vigorous blow and were contributing moral support.

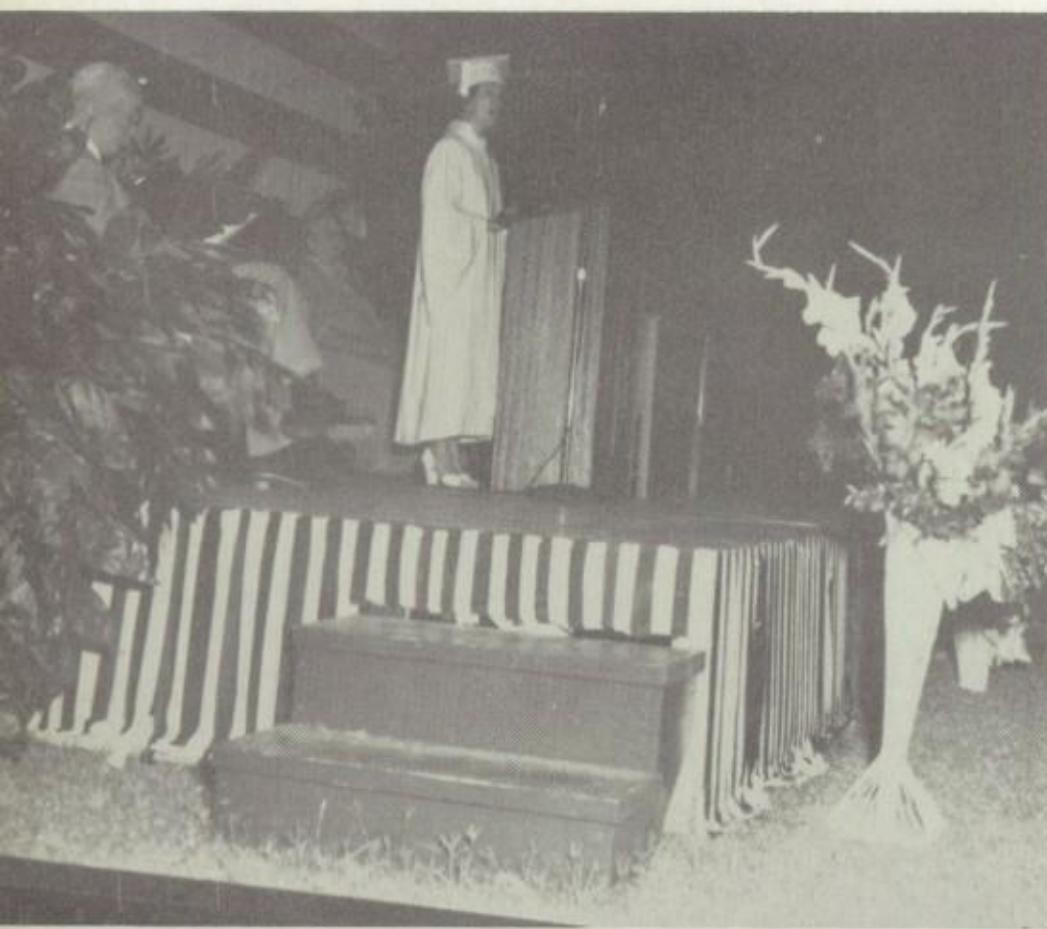

The heart of the school lies in its student life just as at West student life forms the core of the school program. Typical activities made possible by varied recreation in Arizona are picnics and parties to the desert and mountains.

THE MASQUE

"IN THE Sun Country" was the theme of the 20th production of the spectacular Masque of the Yellow Moon held in April, 1951. Each of the schools in the Phoenix Union High School system contributed bands and dancers to the open air extravaganza witnessed by thousands of Phoenicians in Montgomery stadium.

THE YELLOW MOON

SEVERAL groups of girls from the physical education department and the school band, attired in picturesque costumes, sparkled during West High's part of the program. A real stagecoach and western garb lent authenticity to our Wells Fargo act.

WHEE!

Assembly Today!

WEST assemblies vary from putty-cats to pom-pom girls. Not to be forgotten were exchange assemblies with other city schools; the day we branded our Mustang friend from North Hi; the flute trio that made us all laugh with their presentation of "Three Blind Mice"; and last but not least, the class assemblies which we all enjoyed in a wonderful spirit of competition.

A LITTLE BIT

OF EVERYTHING

OPEN

WEST'S Third Annual Open House in February brought hundreds of parents and friends to our modern plant to enjoy entertainment provided by the band and mixed chorus and to become better acquainted with the school. After opening ceremonies in the gymnasium parents toured the school, meeting teachers and viewing student exhibits. Mr. Thorpe and Mr. MacPherson discuss aspects of their respective departments with interested parents. Mr. Johnson demonstrates the correct way to operate a huge paper trimmer in the print shop.

HOUSE

OPEN HOUSE extended throughout the year as various city service clubs enjoyed West hospitality. Mixed Chorus entertained members of the Kiwanis Club when they visited the campus. West's Dads Club saw a movie in the little theatre and enjoyed a hearty meal in the cafeteria. Hiram Club members toured the school, visiting many classrooms along the way.

Salad Bowl Queen

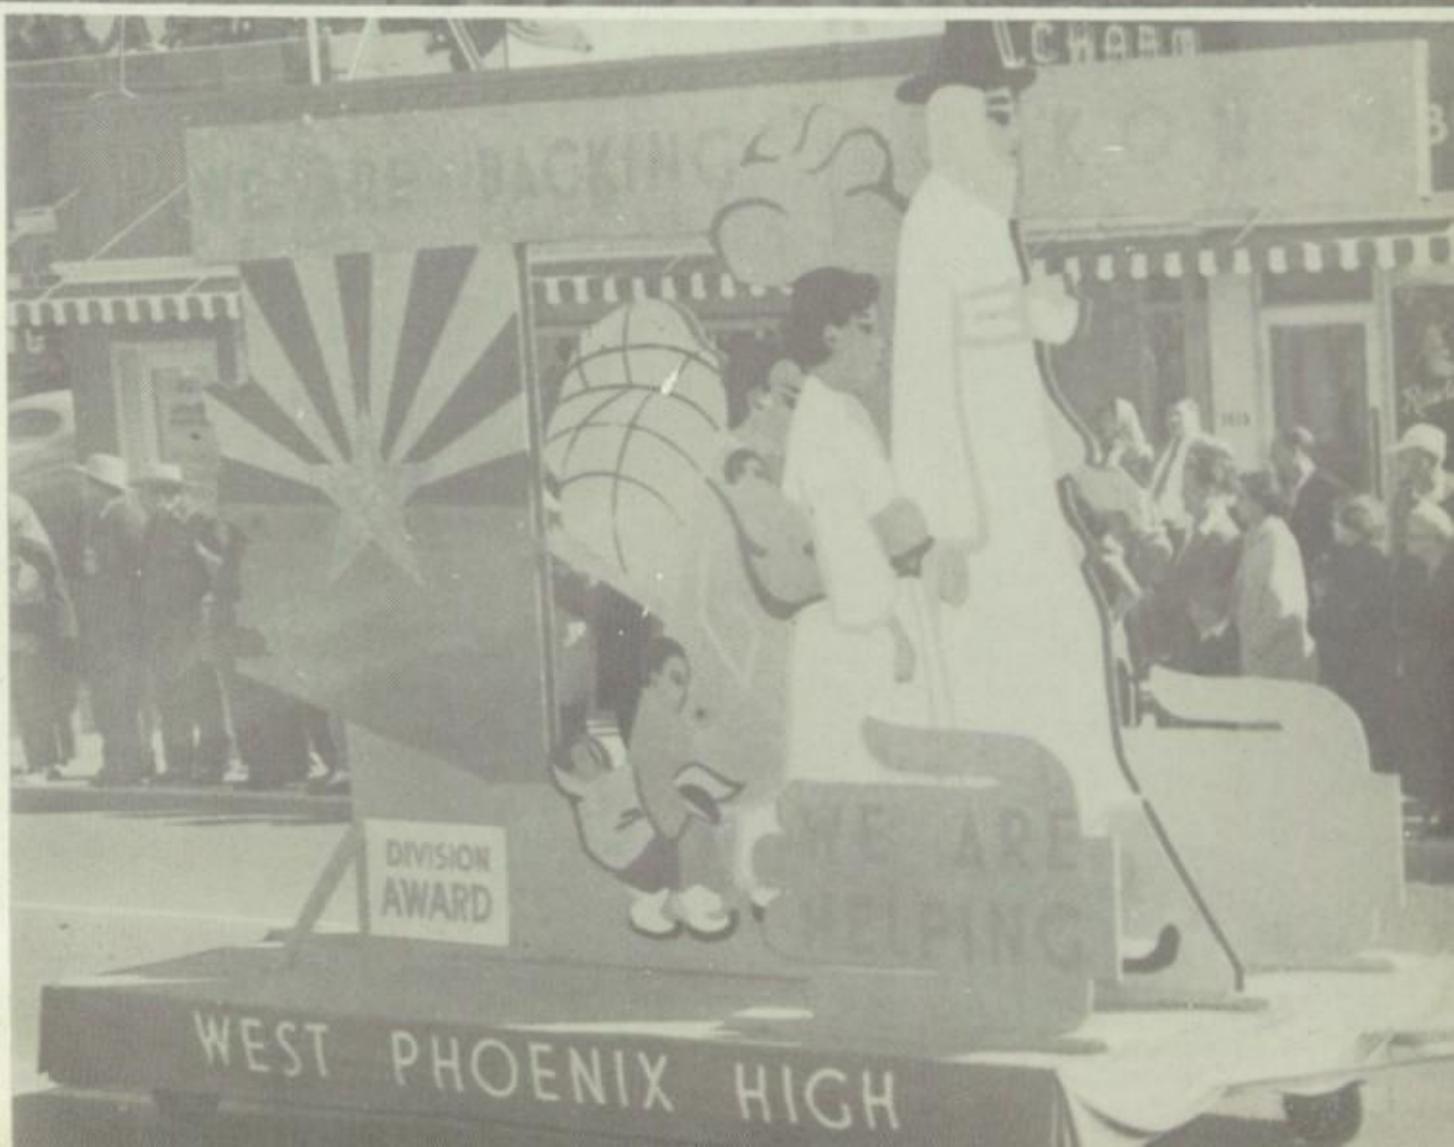

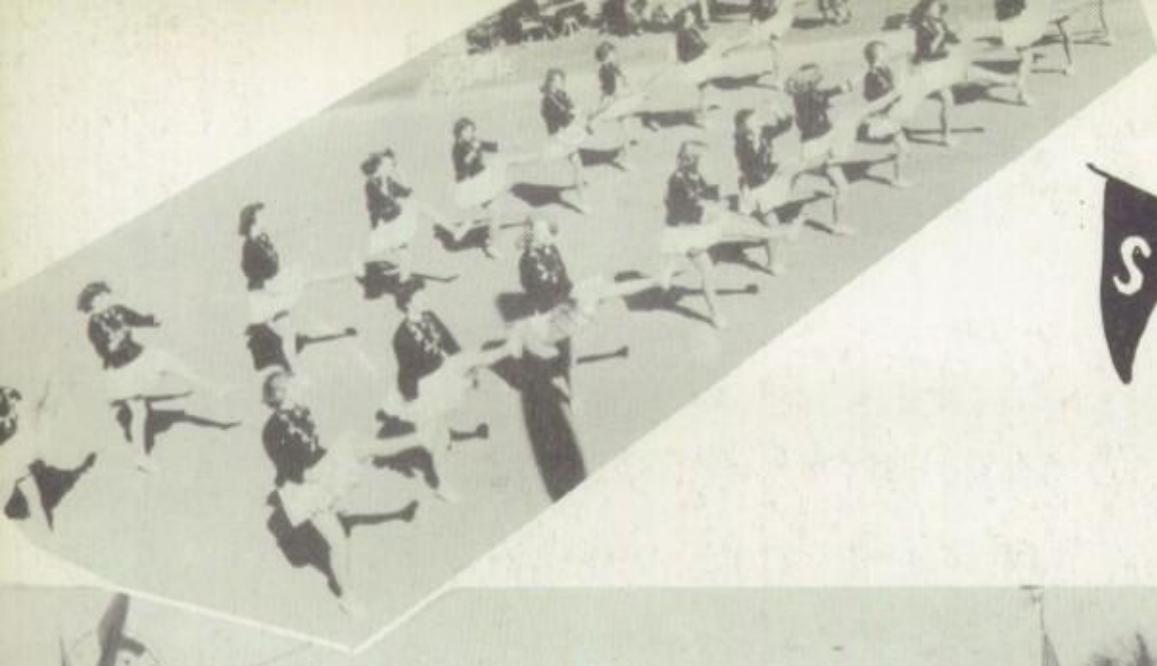

WEST was honored indeed to have its princess, Diana Laird, chosen as 1952 Salad Bowl Queen. Vying against numerous other state girls, 15-year-old Diana emerged beautiful and charming from the midst of a huge, crisp salad bowl during halftime festivities to accept Arizona's homage.

WHILE our school band and productions class performed early morning entertainment in Montgomery stadium, Princess Diana waved greetings to Phoenicians from her place in the Salad Bowl parade. Surprise and happiness mingled delightfully on Diana's face as she walked to coronation ceremonies with her lovely princess escort.

West's Salad Bowl float — helping the peoples of Korea — won a division award for the third time.

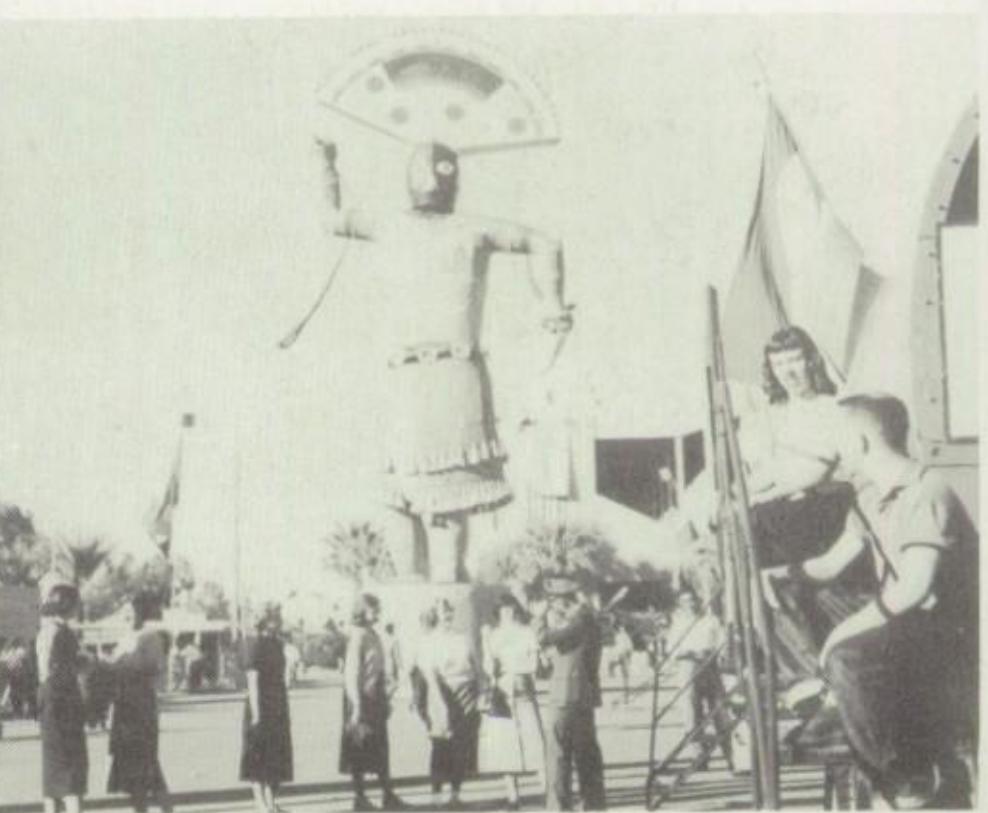

STATE FAIR

COME TO THE FAIR — so runs an old tune and many West High students did just that. Members of productions class danced and the band participated in fair activities. Numerous festivities were recorded for the annual by Westerner staff members and photographers and many students had a whale of a time touring the exhibits and midway.

O'Conleow

HOLLY

MONTHS of preparation, weeks of making decorations, days of decorating the gym — and finally the big night for all who worked so diligently and for all who didn't. Theme this year was Enchanted Forest and decorations were centered on a medieval setting. Girls' League was most thankful for the art department who made most of the intricate decorations this year.

EMERALD EVENING

GIRLS in dreamy formals and boys in their Sunday best will long remember this year's grand Girls' League formal. Cione Dance Studio entertained and couples danced to the melodious music of Morrie Hershman's band to make the third annual Emerald Evening a tremendous success.

REMEMBER . . .

... WHEN?

... That liquid sunshine made its way to our campus via California; ... the pep band paraded through the halls with the military department for our football rally ... all West High turned out in maroon and white to celebrate color day ... the crowded busses went with the teams and laughed and sang in spite of being crowded ... the taffy pull where everyone got tangled up in more taffy than they ate.

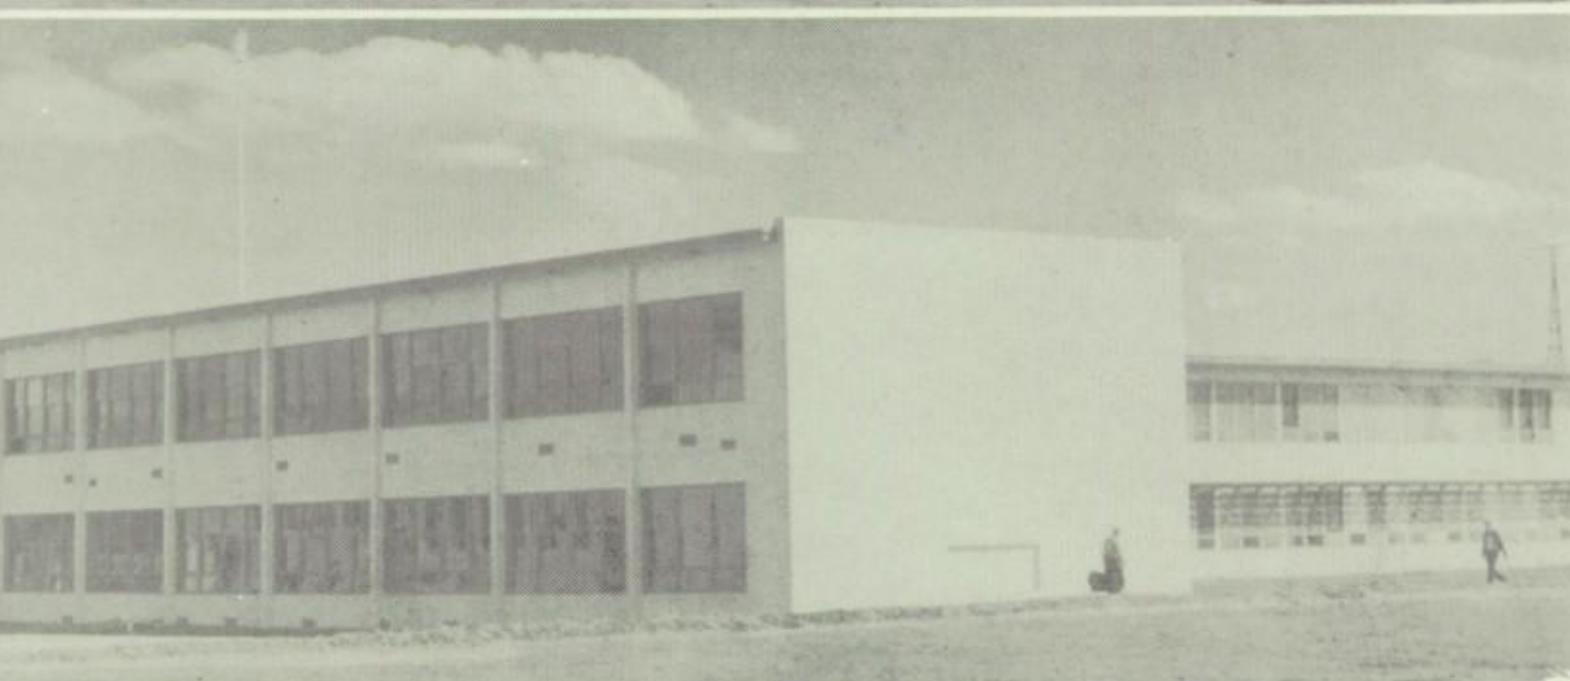

REMEMBER WHEN

AFTER three hot tedious hours of filling out class schedules, 1359 Seniors, Juniors, and Sophomores were ready for another year at West. This was the first time upperclassmen were allowed to choose their own teachers and they liked it, Mr. Stone (opposite page). New streamlined buildings were completed after five months of construction for second semester service. Main features of the new wings are modern stairways, ample window space, and more classrooms for our ever-growing student body.

ALL of a sudden it's over. The months of pasting, cutting, and picture taking are gone, and our annual is at last a reality.

You cannot imagine the work and worry that goes into a book such as this until you have actually experienced it, but then again you must have worked on the book to be able to feel the joy and the satisfaction of a job well done.

I WANT to take this opportunity to thank all the wonderful people without whose help this book would never have been possible:

"Chief" Ross Willard—without his patience, understanding, and helpful advice the WESTERNER would never have gone to the press.

Mr. Morton Boss—He had many headaches to put up with before the final deadline, but we certainly couldn't have done it without him.

Mrs. Martha Macon—A rousing vote of thanks goes to her for the wonderful art work that so brightens any annual.

The Staff—Editorial, business, art, and photography—it has been a privilege and a pleasure working with these wonderful people—and I sincerely mean that.

Our Patrons—whose support made this book possible.

The Hurley Company—Who helped us turn out an annual that we are proud to give to you.

And To You—The faculty, personnel and student body of West High. a grand bunch of people. Speaking for myself and my staff we sincerely hope you enjoy this 1952 edition of the WESTERNER.

New Horizons

in fine yearbook production

Each year new ideas and plans come into being, and we, with 27 years of experience, have taken a front seat in the annual producing field. Three types of printing yearbooks are manufactured — letterpress, litho offset, and a new creation this year, a combination of the two.

We feel sure that this latter process is going to prove very popular in the future, as it gives the staff advantage of using both printing processes to their fullest extent.

A development that has been improved each year is our proof service. We have been a leader in the movement to produce error-free annuals, and page proofs are sent for checking before any page is sent to press. Since haste becomes a reality when staffs begin preparing their copy, the sending of proofs has proved to be the answer.
